Teaching The Moderately And Severely Handicapped Student And Autistic Adolescent:

Teaching the Moderately and Severely Handicapped Student and Autistic Adolescent Elva Durán, 1988 **Teaching Students with Moderate/severe Disabilities, Including Autism** Elva Durán, 1996 **Teaching the Moderately and Severely Handicapped Student and Autistic Adolescent** Elva Duran, 1988-08-01 *The Encyclopedia of Autism Spectrum Disorders* Carol Turkington, Ruth Anan, 2007 Autism is a baffling brain disorder that profoundly affects children's communication and social skills. This work provides a reference guide to this disease. It includes approximately 500 entries that address the different types of autism, causes, and treatments; institutions, associations, leading scientists, and research; social impact; and more. **Handbook of Adolescent Transition Education for Youth with Disabilities** Karrie A. Shogren, Michael L. Wehmeyer, 2020-05-26 Now in a thoroughly revised and updated second edition, this handbook provides a comprehensive resource for those who facilitate the complex transitions to adulthood for adolescents with disabilities. Building on the previous edition, the text includes recent advances in the field of adolescent transition education with a focus on innovation in assessment, intervention, and supports for the effective transition from school to adult life. The second edition reflects the changing nature of the demands of transition education and adopts a life design approach. This critical resource is appropriate for researchers and graduate-level instructors in special and vocational education, in-service administrators and policy makers, and transition service providers. **Curricula for Teaching Students with Autism Spectrum Disorder** Hsu-Min Chiang, 2018-01-24 This book provides an extensive overview of curricula and instructional strategies for teaching children with autism spectrum disorder (ASD). It offers an empirically solid framework for designing and developing interventions for learners along the autism spectrum by reducing skill deficits and enhancing learner strengths while being flexible enough to allow for individual differences. The book discusses key concepts in educating individuals with ASD as they impact the processes of syllabus building, from planning goals and objectives to generating content, choosing appropriate teaching strategies, and assessing progress. Chapters detail curriculum designs in academic areas such as language skills, science, and social studies, as well as functional skills including independent living, career development, and preventing social victimization. The book concludes with recommendations for future interventions and curricula building. Among the topics covered: Communication and autism spectrum disorder; Mathematical problem solving instruction for students with ASD; Visual arts curriculum for students with ASD; How to build programs focused on daily living and adult independence; Sexuality education for students with ASD. *Curricula for Teaching Students with Autism Spectrum Disorder* is a must-have resource for researchers, graduate students, and clinicians, and related therapists and professionals in clinical child and school psychology, childhood special education, social work, developmental psychology, behavioral therapy, rehabilitation, and child and adolescent psychiatry. *Multilingualism, Literacy and Dyslexia* Lindsay Peer, Gavin Reid, 2014-07-10 This timely book provides current and informative guidance for practitioners involved in areas of literacy, multilingualism, and dyslexia. Invaluable advice on

assessment and support for bilingual learners and those needing to acquire a modern foreign language an essential text for staff development in this area reference to innovative approaches in technology and other teaching programs beneficial to multilingual learners advice on learning additional languages With contributions from international practitioners and researchers this book will provide guidance to anyone involved in literacy development language learning and teaching
