

Activities, Games, Events, and Adventures

For helping youth learn team building and group development.

You can watch the games, hear about the games, and read how to conduct the games. Using interactive multimedia, Team Building & Group Development shows how to set up, lead, and process each activity. It is so simple that your youth will want to use the CD-ROM to learn the activities and lead the group.

Team Building & Group Development includes 20 activities for teaching effective group communication and team building skills. The activities on this CD-ROM address critical thinking, leadership, collaboration, self-esteem, competition, group dynamics, and team confidence.

Originally developed by LearningChange for a secular environment, Team Building & Group Development includes a leader's guide developed by Walt Marcum to show how a Christian youth group can use these activities. Each activity has a Scripture-based lesson.

Walt Marcum is Youth Minister at Highland Park United Methodist Church, Dallas, Texas and is author of Deepening Youth Spirituality (Abingdon Press).
