Teamster Rebellion

William Millikan

Teamster Rebellion:

Teamster Rebellion Farrell Dobbs, 1972 Minneapolis Teamster strikes of 1934 *Teamster Rebellion* Farrell Dobbs, 1972
This is the story of the strikes and union organizing drive the men and women of Teamsters Local 574 carried out in Minnesota in 1934 paving the way for the continent wide rise of the Congress of Industrial Organizations CIO as a fighting social movement Through hard fought strike actions which were in fact organized battles they made Minneapolis a union town defeating not only the trucking bosses but strikebreaking efforts of the big business Citizens Alliance and city state and federal governments They showed in life what workers and their allies on the farms and in the cities can achieve when they are able to count on the leadership they deserve BOOK JACKET Teamster rebellion Farrell Dobbs, 1973 *A Union Against Unions* William Millikan, 2001 A comprehensive history and analysis of the Minneapolis Citizens Alliance a union of Minneapolis business owners in their campaign against organized labor Copyright Libri GmbH All rights reserved **Rebel**

Rank and File Aaron Brenner, Cal Winslow, Robert Brenner, 2020-05-05 Often considered irredeemably conservative the US working class actually has a rich history of revolt *Rebel Rank and File* uncovers the hidden story of insurgency from below against employers and union bureaucrats in the late 1960s and 1970s From the mid 1960s to 1981 rank and file workers in the United States engaged in a level of sustained militancy not seen since the Great Depression and World War II Millions participated in one of the largest strike waves in US history There were 5 716 stoppages in 1970 alone involving more than 3 million workers Contract rejections collective insubordination sabotage organized slowdowns and wildcat strikes were the order of the day Workers targeted much of their activity at union leaders forming caucuses to fight for more democratic and combative unions that would forcefully resist the mounting offensive from employers that appeared at the end of the postwar economic boom It was a remarkable era in the history of US class struggle one rich in lessons for today's labor movement

Trotskyists on Trial Donna T Haverty-Stacke, 2016-01-08 Passed in June 1940 the Smith Act was a peacetime anti sedition law that marked a dramatic shift in the legal definition of free speech protection in America by criminalizing the advocacy of disloyalty to the government by force It also criminalized the acts of printing publishing or distributing anything advocating such sedition and made it illegal to organize or belong to any association that did the same It was first brought to trial in July 1941 when a federal grand jury in Minneapolis indicted twenty nine Socialist Workers Party members fifteen of whom also belonged to the militant Teamsters Local 544 Eighteen of the defendants were convicted of conspiring to overthrow the government Examining the social political and legal history of the first Smith Act case this book focuses on the tension between the nation's cherished principle of free political expression and the demands of national security on the eve of America's entry into World War II Based on newly declassified government documents and recently opened archival sources *Trotskyists on Trial* explores the implications of the case for organized labor and civil liberties in wartime and postwar America The central issue of how Americans have tolerated or suppressed dissent during moments of national crisis is not

only important to our understanding of the past but also remains a pressing concern in the post 9 11 world This volume traces some of the implications of the compromise between rights and security that was made in the mid twentieth century offering historical context for some of the consequences of similar bargains struck today *Revolutionary Teamsters* Bryan D. Palmer, 2013-08-22 Minneapolis in the early 1930s was anything but a union stronghold An employers association known as the Citizens Alliance kept labour organisations in check at the same time as it cultivated opposition to radicalism in all forms This all changed in 1934 The year saw three strikes violent picket line confrontations and tens of thousands of workers protesting in the streets Bryan D Palmer tells the riveting story of how a handful of revolutionary Trotskyists working in the largely non union trucking sector led the drive to organise the unorganised to build one large industrial union What emerges is a compelling narrative of class struggle a reminder of what can be accomplished even in the worst of circumstances with a principled and far seeing leadership **Corruption and Reform in the Teamsters Union** David Scott Witwer, 2003

Almost since its creation at the close of the nineteenth century the Teamsters Union has had recurring problems with corruption This book is the first in depth historical study of the forces that have contributed to the Teamsters troubled past as well as the various mechanisms the union has employed from top down directives to grass roots measures to combat the spread of corruption Arguing that the Teamsters Union was by its very nature especially vulnerable to certain forms of corruption David Witwer charts the process by which organized crime came to play a significant role in sectors of the union from low level involvements of the 1930s to suspicions of mob ties among the union s upper echelons beginning in the 1950s Witwer includes a detailed account of the links forged between the mafia and union head Jimmy Hoffa as well as the highly revealing McLellan Committee investigation that first brought these links to light David Witwer is a former employee of the New York County District Attorney s Office and the U S Attorney s Office Drawing on hundreds of hours of tapes of activities and conversations in the offices of corrupt union officials he brings his experience and insight to bear on the union s history considering the subject from a range of perspectives that include the rank and file the Teamster leadership and the criminal element He also examines the persistent efforts of labor opponents to capitalize on the union s unsavory reputation fanning the flames of crises of corruption in order to influence popular and legislative opinion *Rébellion Teamster* Farrell

Dobbs, 2010 Racontees par un dirigeant central de ces batailles les greves de 1934 qui ont construit le mouvement des syndicats industriels a Minneapolis et contribue a l essor du CIO en Amerique du Nord Le premier d une serie de quatre livres sur la direction de lutte de classe de ces greves et des campagnes de syndicalisation qui ont transforme le syndicat des Teamsters en un mouvement social de combat dans la plus grande partie du Midwest et montre la voie en avant vers l action politique ouvriere independante Introduction de Jack Barnes deux cahiers photos de 12 pages et d autres photos index En annexe la liste du premier comite de greve des 100 telle qu elle parait dans les archives de la section syndicale 574 The 1934 strikes that built the industrial union movement in Minneapolis and helped pave the way for the CIO recounted by a central

leader of that battle This is the first in a four volume series on the class struggle leadership of the strikes and organizing drives that transformed the Teamsters union in much of the Midwest into a fighting social movement and pointed the road toward independent labor political action Introduction by Jack Barnes two 12 page photo sections and other photos index Appendix List of Original Strike Committee of 100 as it appeared in Local 574 s files *Dangerously Sleepy* Alan Derickson, 2014 *Dangerously Sleepy* explores the fraught relations between overwork sleep deprivation and public health Health and labor historian Alan Derickson charts the cultural and political forces behind the overvaluation and masculinization of wakefulness in the United States

Teamster Rebellion: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Teamster Rebellion : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Teamster Rebellion : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
