Tears Of The Prophets:

Star Trek Michèle Barrett, Duncan Barrett, 2001 Mich le and Duncan Barrett are mother and son she a distinguished social theorist now working in literary and cultural studies he a writer still in his teens Together they take Star Trek the TV series films and related projects and explore it for what it tells us and asks about being human From the progressive politics that underpinned the original program to the declining faith in rationalism that haunts Deep Space Nine and Voyager the Star Trek story has grappled with powerful philosophical and social issues And throughout its thirty year history Star Trek has explored its themes through the metaphors of Western maritime exploration Yet unlike the voyagers of earlier centuries its crews have sailed not by sea but by galaxy But in search of what As Mich le and Duncan Barrett persuasively demonstrate here the continuing voyage of Star Trek is a quest not for new lands but for new answers what does it mean to be human Witten for both the true Trekker and the complete novice Star Trek The Human Frontier is that rare work of cultural studies informed by the knowledge of literature social thought and popular culture **Terok Nor: Night of the Wolves** S.D. Perry, 2008-05-14 The true story behind one of the greatest tragedies in Star Trek history and the rise of some of its greatest heroes in this thrilling and unputdownable novel Before the Dominion War and the decimation of Cardassia before the coming of the Emissary and the discovery of the wormhole before space station Terok Nor became Deep Space Nine there was the Occupation the military takeover of an alien planet and the violent insurgency that fought against it Now that fifty year tale of warring ideologies terrorism greed secret intelligence moral compromises and embattled faiths is at last given its due in the three book saga of Star Trek s Lost Era Eighteen years into the Occupation a new star rises in Bajor s sky It is the seat of power in this system a place of slave labor and harsh summary judgments the symbol of Cardassian might and the futility of resisting it But even as the gray metal crown of Terok Nor ascends to its zenith ragtag pockets of Bajoran rebels including a fierce young fighter named Kira Nerys have begun to strike back at their world s oppressors and they intend to show the Cardassians that the night belongs to them Mission Gamma: Book One David R. George III, 2002-10-02 THE TIME HAS COME for a new era of exploration With the Dominion War behind them the crew of the U S S Defiant journeys through the wormhole as Commander Elias Vaughn leads a corps of discovery to blaze new trails into the unexplored reaches of the Gamma Quadrant THE TIME HAS COME for a civilization to reach a crossroads As political forces throughout the Alpha Quadrant intersect at Deep Space 9 to determine the future of Bajor the planet s theological unity threatens to shatter And for Colonel Kira Nerys the path of the Prophets may become a road to ruin THE TIME HAS COME for a father and daughter to confront their past while a mother and son fight for the future for lovers to be tested and for friendships to transform and for worlds on opposite ends of the galaxy to face the dusk or the dawn TWILIGHT **The Excalibur of Christ** Eyam Idew, 2011 The Excalibur of Christ is more than a book more than a diary It s a guide a weapon and truth I say this because everyone knows the story of Excalibur but what everyone might not know is the truth of a sword A sword is far

more than a piece of metal in the Bible and other doctrines of the world a sword is the tongue and mind of man However the true mind of man is the incorruptible spirit of him which was birth by the Most High the true image we re in but if you do not have that sword you will not know although you may be forever hearing So now that you know the truth of the sword this book is written with the Excalibur of Christ because we not only war with flesh and blood But we war with principalities of things that are unjustly done which causes the war on flesh and blood Therefore to fight that battle you have to be equipped with the right information and weaponry Thus you are given the truth of your sword and if you think I m not being truthful look at it for yourself Take the s off sword and all you ll have left if word which is your thoughts and speech So with that being said take up thy armor and fight a good fight that you may enjoy all that s rightfully yours in this life *Star Trek as Myth* Matthew Wilhelm Kapell,2010-03-16 In the past the examination of myth has traditionally been the study of the Primitive or the Other More recently myth has been increasingly employed in movies and in television productions Nowhere is this more apparent than in the Star Trek television and movie franchise This collection of essays on Star Trek brings together perspectives from scholars in fields including film anthropology history American studies and biblical scholarship Together the essays examine the symbolism religious implications heroic and gender archetypes and lasting effects of the Star Trek mythscape **The Prayers and Tears of Jacques Derrida** John D. Caputo,1997-09-22 Caputo s book is riveting A singular achievement of stylistic brio and impeccable scholarship it breaks new ground in making a powerful case for treating Derrida as homo religiosus There can be no mistaking the importance of Caputo s work Edith Wyschogrod No one interested in Derrida in Caputo or in the larger question of postmodernism and religion can afford to ignore this pathbreaking study Taking full advantage of the most recent and least discussed writings of Derrida it offers a careful and comprehensive account of the religious dimension of Derrida s thought Merold Westphal **Twilight** David R. George,2002 Science fiction roman *Commentary on Matthew (Commentary on the New Testament Book #1)* Robert H. Gundry,2011-11-01 Delve Deeper into God s Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today s readers The Gospel of Matthew highlights Jesus messiahship and divine sonship Matthew defines faithfulness in terms of Christian behavior and verbal testimony and warns against unfaithfulness by accenting its eternal consequences Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry s nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry s *Commentary on the New Testament* *Hands of Doom* Jack Holloway,2022-06-27 The world today is such a wicked place Black Sabbath declared in 1969 when they recorded their debut album set against a backdrop of war assassinations social unrest and disillusionment Cries for justice from the Civil Rights Movement and for peace and love from the culture of flower power had been met with violent backlash from the ruling class It was on this stage that Black Sabbath entered the heaviest rock band the world had yet known This band was shaped by a

working class upbringing in Birmingham England where actual metal defined the small town existence of factories bombed out buildings and little else With their music Sabbath captured the dread and the burgeoning pessimism that was haunting the minds of young people in the sixties and seventies Today we are in a similar age of crisis climate disaster extreme inequality police brutality mass incarceration and now pandemic Black Sabbath speaks to our time in ways few other bands can They deploy apocalyptic imagery to capture the destruction of the planet by despotic superpowers and they pronounce a prophetic indictment on agents of injustice In this book theologian and cultural critic Jack Holloway explores Black Sabbath s music and lyrics and what they had to say to their historical context From this analysis Holloway outlines a Black Sabbath theology which carries significant import for modern life reminding us of our deep responsibility to transform a broken world
