Teasing Charlotte:

Teasing Charlotte Yvonne Marshall, 2004-11 **Murder at the Merton Library** Andrea Penrose, 2024-07-23 A perplexing murder in a renowned Oxford University library and a suspicious fire at a famous inventor's London laboratory set Wrexford and Lady Charlotte on two separate investigations in this masterfully plotted atmospheric Regency set mystery from USA Today bestselling author Andrea Penrose. Penrose mixes well thought out mysteries, early forensic science, great details of the era, and a slow burning attraction creating a compulsive read. The New York Public Library Responding to an urgent plea from a troubled family friend, the Earl of Wrexford journeys to Oxford only to find the reclusive university librarian has been murdered and a rare manuscript has gone missing. The only clue is that someone overheard an argument in which Wrexford's name was mentioned. At the same time, Charlotte, working under her pen name A J Quill, must determine whether a laboratory fire was arson and if it's connected to the race between competing consortiums to build a new type of ship, one powered by steam rather than sails, with the potential to revolutionize military power and world commerce. That the race involves new innovations in finance and entrepreneurship only raises the stakes, especially as their good friend Kit Sheffield may be an investor in one of the competitors. As they delve deeper into the baffling clues, Wrexford and Charlotte begin to realize that things are not what they seem. An evil conspiracy is lurking in the shadows and threatens all they hold dear unless they can tie the loose threads together before it's too late.

As the owner displays and unfurls a Japanese parasol, Henry, a Chinese American, remembers a young Japanese American girl from his childhood in the 1940s, Keiko Okabe, with whom he forged a bond that transcended the prejudices of their Old World ancestors. After Keiko and her family were evacuated, she and Henry could only hope that their promise to each other would be kept. Now, forty years later, Henry explores the hotel's basement for the Okabe family's belongings and for a long lost object whose value he cannot even begin to measure. **SONGS OF WILLOW FROST**.
