Technicolour Pulp:

Roary Revisited Jean Smith, 2006-07 This is an account of a rural childhood in North Devon at the end of the Second World War It is recounted with humour irony and a little pathos Though the family was poor by today s standards they were rich in humour and the pleasures of a truly rural simplistic way of life An overcrowded thatched cottage that nearly caught fire one Guy Fawkes night didn t deter the Plymouth relatives from periodically descending upon them You will get to know each family member they were all so different This is a delightfully perceptive view of the period the countryside and the country characters who lived in and around the vicinity of Roary and Molland village You will not be alone in wanting to go and get a feel of the place even though there is nothing to be seen of the house now although the well is visible still This is a book you will want to read and re read from time to time everybody can relate to it in some form or other Technicolor Pulp Arty Nelson, 1994-10-31 Pulp's This Is Hardcore Jane Savidge, 2024-03-07 Essential reading plain and simple Cult Following Savidge knows the album backwards UNCUT This Is Hardcore is Pulp s cry for help A giant sprawling flawed masterpiece of a record the 1998 album manages to tackle some of the most inappropriate grown up issues of the day fame ageing mortality drugs and pornography and still come out crying and laughing on the other side The subject of pornography dominates the record from its controversial artwork to the images conjured up by songs like Seductive Barry and the title track after Pulp s main man Jarvis Cocker who d spent most of his teenage and adult life chasing celebrity only to be cruelly disappointed when it finally arrived in spades hit upon the grand notion of using pornography as a metaphor for fame The album s commercial failure as a follow up to the band s Britpop defining *Different Class* also symbolizes a death knell for Britpop itself Dark right Except just like Pulp themselves Jane Savidge s book is playful and sometimes very funny indeed Kicking off with an imaginary conversation between Jarvis Cocker and the people who run the Total Fame Solutions helpline Savidge expertly guides us through the trials and tribulations of an album that begins with the so called Michael Jackson Incident when Cocker got up on stage at the 1996 Brit Awards and waggled his fully clothed bum at the King of Pop Pulp s *This Is Hardcore* may be a sleazy run through porn and mental demise and an album that chronicles Cocker s continuing disillusionment with his newfound lot in life but Savidge s book assesses the cultural and historical context of the album with insider knowledge and a sharp modern lens ultimately making a case for it as one of the most important albums of the 1990s

Pulp & Paper Magazine of Canada ,1950 *Pulp and Paper Magazine of Canada* ,1950 Pulp Virilities and Post-War American Culture Arthur Redding, 2022-09-10 This book interrogates the repertoire of masculine performance in popular crime fiction and cinema from the 1940s 50s and 60s This critical survey of the back alleys of pulp culture reveals American masculinities to be unsettled contentious crisis ridden racially fraught and sexually anxious Libertarian in their sensibilities self aggrandizing in their sentiments resistant to the lures of upper mobility scornful of white collar and corporate culture the protagonists of these popular and populist works viewed themselves as working class heroes cast adrift

Pulp Virilities explores the enduring traditions of hard boiled and noir literature casting a critical eye on its depictions of urban life and representations of gender crime labor and race Demonstrating how anxieties and possibilities of American masculinity are hammered out in works of popular culture Pulp Virilities provides a rich cultural genealogy of contemporary American social life *The Queen of Technicolor* Tom Zimmerman,2022-07-26 Best known for her appearances in the six Technicolor Neverland movies Maria Montez is a film icon Growing up as one of ten children in the Dominican Republic her rise as a film star in the United States seemed unlikely In 1939 Montez set off on her own to New York City to fulfill her aspirations of movie stardom Despite having no substantial acting experience Montez managed to sign with major agent Louis Schurr who helped her secure a contract with Universal Studios before she moved out to Hollywood Following her arrival in Los Angeles Montez began cultivating the larger than life persona for which she is known Her beauty personality and series of publicity antics including dramatic restaurant entrances endeared her to the press She even created her own fan club The Montez for Stardom Club Her ambitious self promotion bolstered the success she found with her first big lead in Arabian Nights released in 1943 From then on the studio referred to her as The Queen of Technicolor Author Tom Zimmerman puts Montez s life in historical context including her role as a cultural icon and a living representation of the United States Good Neighbor Policy with Latin American countries With her thick Dominican accent Montez struggled to make herself intelligible to an American audience However unlike some of her Latin contemporaries she did not present a caricature of her culture or use her accent for comedic purposes giving her credibility with a Latin American audience Zimmerman skillfully recounts the story of Montez s fiery ambition and her ascent to Hollywood fame giving her the opportunity to live on in public memory **The Hesiodic Catalogue of Women** Richard Hunter,2005-07-14 This collection of essays offers an exploration of the meaning and significance of the Catalogue of Women attributed to Hesiod I WAS A TEENAGE TECHNICOLOR Blur Randall C. P. Telotte,2019-07-11 What impact did the new art of film have on the development of another new art the emerging science fiction genre during the pre and early post World War II era Focusing on such popular pulp magazines as Amazing Stories Astounding Stories and Wonder Stories this book traces this early relationship between film and literature through four common features stories that involve film or the film industry film related advertising editorial matters and readers letters commenting on film and the magazines heralded cover and story illustrations By surveying these haunting traces of another medium in early science fiction discourse we can begin to see the key role that a cinematic mindedness played in this formative era and to expand the early history of science fiction as a cultural idea beyond the usual boundaries that have been
