

The Land Question

- Land shortages were a huge problem in 1917.
- Peasants had believed that the February Revolution would bring them land – it hadn't! Discontent grew and peasants began to seize land.
- The Provisional Government and the Soviet did not have a solution to the land question – but Lenin spotted the political advantage in the situation and adopted a land policy (stolen from the SRs) promising 'Land to the peasants'. This brought renewed support for the Bolsheviks.
