The Sino-Japanese War of 1894-1895 S. C. M. Paine, 2003 The Sino Japanese War of 1894 1895 is a seminal event in world history yet it has been virtually ignored in Western literature In the East the focus of Chinese foreign policy has been to undo its results whereas the focus of Japanese foreign policy has been to confirm them Japan supplanted China as the dominant regional power disrupting the traditional power balance and fracturing the previous international harmony within the Confucian world leaving enduring territorial and political fault lines that have embroiled China Japan Korea Russia and Taiwan ever since The book examines the war through the eyes of the journalists who filed reports from China Japan Russia Europe and the United States showing how the war changed outside perceptions of the relative power of China and Japan and the consequences of these changed perceptions namely the scramble for concessions in China and Japan's emergence as a great power

German Diplomatic Relations 1871-1945 William Young, 2006-09-04 The continuity issue has been a theme in German historiography for half a century Historians have examined the foreign policy of Wilhelmine and Nazi Germany that led to two world wars Dr William

Young examines the continuity of German Foreign Office influence in the formulation of foreign policy under the leadership of Otto von Bismarck 1862 1890 Kaiser William II 1888 1918 the Weimar Republic 1919 1933 and Adolf Hitler 1933 1945 He stresses the role and influence of strong German leaders in the making of policy and the conduct of foreign relations German Diplomatic Relations 1871 1945 will be of value to individuals interested in the history of Germany Modern Europe and International Relations

Armies of the First Sino-Japanese War 1894-95 Gabriele Esposito, 2022-10-27 Describes how newly modernized Japan waged war against China in its first overseas campaign marking its rapid transition into Asia's leading military power only 30 years after emerging from centuries of feudalism After the Meiji restoration of the Japanese imperial regime in 1868 77 modernization along Western lines of Japan's industry communications and land and naval forces advanced with remarkable speed and by the 1890s the rejuvenated nation was ready to flex its muscles overseas The obvious opponent was the huge but medieval Chinese Empire and the obvious arena for war was Korea a nearby Chinese protectorate that Japan had long coveted A secondary campaign would be fought on Formosa Taiwan an autonomous Chinese island protectorate In this study author Gabriele Esposito describes the bloodthirsty course of the Japanese campaign in China using colour illustrations and photos to showcase the organization equipment and appearance of the various Chinese forces China had no true national army the Imperial Japanese Army and Navy and for the first time in English the Korean and Formosan participants Japan's victory left it confident enough to challenge Imperial Russia and nine years later it defeated it at the Battle of Tsushima where two thirds of the Russian fleet was destroyed by the Japanese Navy This victory confirmed Japan's place as Asia's leading military power soon to become a realistic rival to the West

Interpreting the Mikado's Empire Joseph M. Henning, 2021-02-15 For more than fifty years William Elliot Griffis 1843 1928 chronicled a rapidly changing Meiji Japan and its people He was unequalled in the length of his writing career and the breadth of his work which illuminated the entire sweep of Meiji history and reached a multiplicity of American audiences A teacher in the provincial city of Fukui and later in Tokyo he reported in magazine essays on the last days of feudalism in Japan and its aspirations to become a modern nation After returning to the United States he continued to write In dozens of books and hundreds of articles he covered topics including the samurai class daily life racial theory empire and war Extending his reach even further he was a tireless public speaker and delivered thousands of lectures on Japan He described his self appointed task as interpreting Japan to America with voice and pen This anthology brings together the best of his writing offering a dynamic perspective on Meiji Japan through the eyes of a colorful and engaging writer

South Korea Since 1980 Uk Heo, Terence Roehrig, 2010-06-28 This book examines the changes in politics economics society and foreign policy in South Korea since 1980 Starting with a brief description of its history leading up to 1980 this book deals with South Korea's transition to democracy the stunning economic development achieved since the 1960s the 1997 financial crisis and the economic reforms that followed and concludes with the North Korean nuclear crisis and foreign relations with regional powers The theoretical

framework of this book addresses how democratization affected all of these dimensions of South Korea. For instance, democratization allowed for the more frequent alternation of political elites from conservative to liberal and back to conservative. These elites initiated different policies for dealing with North Korea and held different views on South Korea's role in its alliance with the United States. Consequently, ideological divides in South Korean politics became more stark and the political process more combative.

The Treaty of Portsmouth and Its Legacies Steven J. Ericson, Allen Hockley, 2008. The latest probing look at the 1905 Portsmouth Peace Treaty, the last peace agreement between Japan and Russia. *Imperial Co-operation and Transfer, 1870-1930*, 2015-08-27. Conflict and competition between imperial powers has long been a feature of global history, but their co-operation has largely been a peripheral concern. *Imperial Co-operation and Transfer, 1870-1930* redresses this imbalance, providing a coherent conceptual framework for the study of inter-imperial collaboration and arguing that it deserves an equally prominent position in the field. Using a variety of examples from across Asia, Europe, and Africa, this book demonstrates the ways in which empires have shared and exchanged their knowledge about imperial governance, including military strategy, religious influence, and political surveillance. It asks how, when, and where these partnerships took place and who initiated them. Not only does this book fill an empirical gap in the study of imperial history, it traces ideas of empire from their conception in imperial contact zones to their implementation in specific contexts. As such, this is an important study for imperial and global historians of all specialisms.

The Age of Total War, 1860-1945 Jeremy Black, 2010-09-16. What is total war? Definitions abound, but one thing is certain: the concept of total war has come to be seen as a defining concept of the modern age. In *The Age of Total War*, celebrated historian Jeremy Black explores the rise and demise of an era of total war, which he defines in terms of the intensity of the struggle, the range, geographical and/or chronological, of conflict, the nature of the goals, and the extent to which civil society was involved. He contends that this era, roughly 1860-1945, was markedly different from the warfare that characterized earlier periods and that it is very different from the situation that has evolved since, with its emphasis on asymmetrical conflict and limited warfare. Acknowledging that various definitions are problematic and often contradictory, Black argues that 1860 to 1945 was an era in which the prospect of war and the consequences of it were crucially important for human history. He focuses primarily on conflict between Western powers, including Japanese participation in the Russo-Japanese War. Trends and developments subsequent to 1945, Black asserts, make a return to total war unlikely.

The History of Taiwan Xiaobing Li, 2019-10-25. This one-volume handbook explores the history of Taiwan from its prehistory to its Japanese colonization to its tumultuous relationship with China in the 21st century. This addition to the Greenwood Histories of the Modern Nations series focuses on significant events in the history of Taiwan from ancient history to the present. Following the general series format, the book opens with the series foreword and a chronology of key events in Taiwan's history. Eleven chapters follow, with half of the book focusing on the modern historic events that occurred post-World War II. Chapters examine topics and

eras including Pre history and Early Civilization to 1100 Formosa The Dutch Colony 1622 1662 Cold War Island Conflicts and Control 1950 1972 and Democratization and Independence Movement 1996 2004 A glossary of terms and annotated bibliography rounds out the work making it an ideal resource for high school and undergraduate students as well as general readers who are looking for an introduction to Taiwan s history

East Asia and the First World War Frank

Jacob,2022-10-24 The First World War was a truly global event that changed the course of history in many participating as well as non participating countries In East Asia the war stimulated the further rise of Japan as the leading power in the region during the war yet also its radicalization and social protests after 1918 In China and Korea it stimulated nationalist eruptions demanding freedom and equality for the semi colonized countries and the people living within their borders All in all the present book offers a concise introduction of the history of the First World War and its impact in East Asia

The Royal Navy in the Age of Austerity 1919-22 G. H. Bennett,2016-10-06 This book thoroughly explores and analyses naval policy during the period of austerity that followed the First World War During this post war period as the Royal Navy identified Japan its likely opponent in a future naval war the British Government was forced to tighten its belt and cut back on naval expenditure in the interests of National Economy G H Bennett draws connections between the early 20th century and the present day showing how the same kind of connections exist between naval and foreign policy the provision of ships for the Royal Navy business and regional prosperity and employment The Royal Navy in the Age of Austerity 1919 22 engages with a series of important historiographical debates relating to the history of the Royal Navy the failures of British Defence policy in the inter war period and the evolution of British foreign policy after 1919 together with more mundane debates about British economic industrial social and political history in the aftermath of the First World War It will be of great interest to scholars and students of British naval history

The Encyclopedia of the Spanish-American and Philippine-American Wars Spencer C. Tucker,2009-05-20

A comprehensive overview of the wars that saw the United States emerge as a world power one that had immense implications for America especially in Latin America and Asia ABC CLIO acclaimed publisher of superior references on the United States at war revisits a pivotal moment in America s coming of age with The Encyclopedia of the Spanish American and Philippine American Wars A Political Social and Military History Again under the direction of renowned scholar Spencer Tucker the encyclopedia covers the conflict between the United States and Spain with a depth and breadth no other reference works can match The encyclopedia offers two complete volumes of alphabetically organized entries written by some of the world s foremost historians covering everything from the course of the wars to relevant economic social and cultural matters in the United States Spain and other nations Featuring a separate volume of primary source documents and a wealth of images and maps the encyclopedia portrays the day to day drama and lasting legacy of the war like never before guiding readers through a seminal event in America s transition from the Gilded Age to the Progressive Era

Populism and Imperialism Nathan Jessen,2017-07-14

In the final years of the

nineteenth century as a large scale movement of farmers and laborers swept much the country the United States engaged in an ostensibly anti colonial war against Spain and a colonial war of its own in the Philippines How one related to the other the nature of the activists involvement in foreign policy debates and the influence of these wars upon the prospects for domestic reform is what Nathan Jessen explores in *Populism and Imperialism* American reformers at the turn of the twentieth century have long been misrepresented as accomplices of empire Rather as *Populism and Imperialism* makes clear they were imperialism s chief opponents and that opposition contributed to their ultimate defeat Correcting the record Jessen charts the fortunes of the Populists through the nineteenth century s last decade He shows that contrary to the standard narrative Populists remained powerful in West after the election of 1896 they only suffered their final political reverses in 1900 after being branded as unpatriotic traitors by their opponents In fact the Populists and Democrats in the West favored war with Spain for humanitarian reasons some among them led the opposition to Hawaiian annexation and as leaders of the anti imperialists in Congress from 1899 on the occupation of the Philippines Jessen also addresses the little studied money power conspiracy theory that explains a key element of the Populist worldview This theory linking European imperialism and the growing economic and political power of financiers stirred Populist opposition to American imperialism as well *Populism and Imperialism* revises a critical chapter in US history and offers lessons for the present as well as insights into the nation s past

China's War in Korea Xiaobing Li, 2019-11-05 This book re visits the history of the Korean War of 1950 1953 from a Chinese perspective examining Chinese strategy and exploring why China sent three million troops to Korea in Mao s words to defend the homeland and safeguard the country giving rise to what became the war s common name in China It also looks into the relatively neglected historical factors which have redefined China s security concerns and strategic culture Using newly available sources from China and the former Soviet Union the book considers how interactive the parameters of defense changes were in a foreign war against Western powers how flexible Chinese strategy was in the context of its intervention and how expansive its strategic cultural repertoire was at the crucial moment to defend the country Providing a re examination of China s military decisions and strategy evolution this text narrates the story of successive generations of Chinese leaders and provides a key insight into security issues in China and Northeast Asia today

Olympic Opening Ceremonies Daniel Malanski, 2025-04-25 This is the first book to unpack the history and significance of the opening ceremony of the Olympic Games the frontispiece of the most watched event on Earth Covering the period from the Moscow Olympics in 1980 to Tokyo 2020 the book examines when how and why the Olympic opening ceremonies artistic programme became the multi act spectacles seen today It argues that the embedded nationalistic ethnic and environmental discourses contained in opening ceremonies have much to tell us about national narratives memory and myth making about the history of representation and about how the Olympics and the spectacle of mega events are prisms through which local and global socio political issues are refracted from the climate crisis and the struggle for minority rights to the emergence of a multi

polar world This book is fascinating reading for anybody with an interest in the sociology culture history or politics of sport and events geopolitics or performance studies China and Japan Ezra F. Vogel, 2019-07-30 China and Japan have cultural and political connections that stretch back 1 500 years But today they need to reset their strained relationship Ezra Vogel underscores the need for Japan to offer a thorough apology for its atrocities during WWII but he also urges China to recognize Japan as a potential vital partner in the region **Belt And Road Initiative, The: Implications For The International Order** Moritz Rudolf, 2021-09-14 This book showcases how the People s Republic of China PRC has been utilizing the Belt and Road Initiative BRI to reshape the global order Dissecting China s increasingly assertive international behaviour the book demonstrates how the PRC projects its self perception onto the international order The book outlines five aspects of China s international role projection which the PRC applies selectively depending on its target audience 1 The bearer of traditional Chinese culture 2 The humiliated nation 3 The socialist state with Chinese characteristics 4 The developing state and promoter of international development 5 The authoritarian globalization optimist Drawing on an in depth analysis of hundreds of primary BRI documents the book offers a comprehensive overview of China s most crucial foreign policy agenda item It demonstrates how through the BRI the PRC has introduced mechanisms to the international level which reflect its domestic policy making mode In addition the PRC has institutionalized the initiative by establishing China centered BRI networks across a wide range of policy areas Within those emerging China centered BRI networks the PRC systematically increases its international discursive power for example by inserting Chinese vocabulary into UN resolutions or by promoting Beijing s approaches vis vis the rule of law across a range of developing states This book also further discusses the implications of the BRI for the international legal order
