Sisters Without Mercy:

Sisters Without Mercy Clarence J. Moore, 2013-01-16 *Sisters Without Mercy* is about a team of Special Forces 101st Airborne women who go to the aid of one of their own. The main character is Dora Simmons. Her brother is killed under the most peculiar circumstances. Dora finds out during her search for answers that her brother Mark belonged to an elite group of FBI agents that were being systematically killed off by the director of the FBI. Dora realizes that she needs help. She calls on her teammates in the Airborne, eleven other women with outstanding abilities. Once Dora and her teammates decide where they have to go and what they have to do in order to find Mark's killer, the girls begin the execution of their plan. The investigation leads to some of the richest men in the world, including a Sheikh. The sisters also learn that their CO at Fort Campbell may be involved with these very shady people. The sisters find out that this group of rich men are involved in drugs, pornography, slave trade, and the most ghastly of all, the harvesting of organs. Bringing down this operation requires the services of the Navy SEALs at Coronado, the Marines at Camp Pendleton, and more of the 101st Airborne men and women from Fort Campbell, KY. When Dora's mother and brother are kidnapped, they are taken to an island that belongs to Mexico. Unknown to everyone, the Mexican and U.S. governments are aware of the activities on this island and have decided to collaborate in closing down this illegal operation.

Sisters Without Mercy II Clarence J. Moore, 2013-04 After thirty years, Brigadier General Carolyn McKenzie Marshall is retiring and leaving the US Army behind. She is proud of her accomplishments, especially the formation and training of the first women's jump program in the army. Though looking forward to a new life in Hawaii, she is sad to leave her sisters behind, including her replacement, Col. Dora Aimsley. The two have been through a lot together. But just three days into retirement, one of Carrie's past exploits comes back to haunt her and her fellow sisters. Ten years ago, the Sheikh managed to escape destruction when Dora blew up the building in which he and his cohorts were hiding. Now the Sheikh has returned to exact revenge on Dora and the team who caused him to lose money and face. The Sheikh means business. Even so, Dora foils his hijacking attempt on the Pope's airplane, and the Sheikh retaliates by kidnapping Dora's twin daughters and Carrie. Dora's training kicks in, and with the help of her fellow sisters, she tries to save her friend, her family, and herself.

Language and Revolution Igal Halfin, 2004-08-02 This work examines the role of language in forging the modern subject. Focusing on the idea of the New Man that has animated all revolutionaries, the present volume asks what it meant to define oneself in terms of one's class, origins, gender, national belonging, or racial origins.

All the Year Round, 1880 The Latter-Day Saints' Millennial Star, 1894 *Quirky tales for noon and midnight. 10 new Scythian tales* Guy Sebeus, 2017-03-09 Once upon a time, by the warm sea, in the most extensive steppes, there were the bravest, the freest, and the most mysterious people, the Scythians. They are mysterious because no one knows where they have come from and where they have eventually disappeared. Only storytellers know about it, and that's what they tell. **Lust, Anger, Love** Maureen Canning, 2008-01-01 Sexual addiction is a problem that affects millions of people. Maureen Canning

LMFT who has extensive experience treating sex addicts explains its roots and how those afflicted can recover This book also explains the poisonous childhood seeds that lead to public scandals like the revelations involving former congressman Mark Foley Canning shows how compulsions are the product of early childhood abuse and how patterns from the most violent to the most commonplace develop She explains that the overriding emotion sexually addicted people feel towards the partners with whom they seek intimacy is anger turned into sexuality or sexualized anger This yields a false sense of security and power an aggressive tendency which destroys any chance of a healthy relationship Lust Anger Love offers a comprehensive and enlightening look at the origins of these little discussed behaviors and maps out a plan for recovery **Along the**

Enchanted Way William Blacker, 2010-10-28 Chosen for the Duchess of Cornwall's online book club The Reading Room by HRH The Prince of Wales When William Blacker first crossed the snow bound passes of northern Romania he stumbled upon an almost medieval world There for many years he lived side by side with the country people a life ruled by the slow cycle of the seasons far away from the frantic rush of the modern world In spring as the pear trees blossomed he ploughed with horses in summer he scythed the hay meadows and in the freezing winters gathered wood by sleigh from the forest From sheepfolds harried by wolves to courting expeditions in the snow he experienced the traditional way of life to the full and became accepted into a community who treated him as one of their own But Blacker was also intrigued by the Gypsies those dark foot loose strangers of spell binding allure who he saw passing through the village Locals warned him to stay clear but he fell in love and there followed a bitter struggle Change is now coming to rural Romania and William Blacker's adventures will soon be part of its history From his early carefree days tramping the hills of Transylvania to the book's poignant ending *Along the Enchanted Way* transports us back to a magical country world most of us thought had vanished long ago A

Sprinkling of Stardust over the Outhouse Paul E. Brogan, 2022-07-11 A *Sprinkling of Stardust over the Outhouse* is the long awaited follow up to Paul Brogan's highly successful first book *Was That a Name I Dropped* released in 2011 Paul came out as gay when he was ten in the early 1960s and faced a number of obstacles for doing so He approached them without losing sight of who he was eventually winning over the naysayers who urged him to be someone other than himself A *Sprinkling of Stardust* is a true story that is rich in detail as it tells Paul's story with humor and heart as well as harsh and sometimes shockingly brutal reality In the 1980s playing the starring role in a musical production of *Peter Pan* Paul Brogan sang the song *Never Never Land* The lyrics I have a place where dreams are born and time is never planned It's not on any chart You must find it with your heart *Never Never Land* had a great deal of meaning to Paul Frequently he found himself getting choked up as he sang them After coming out at the age of ten Paul created his own *Never Never Land* It represented a safe haven a refuge where he could do and be himself It was a place to which he escaped after being sexually abused raped and suffering a series of life threatening health issues His latest book is not a sequel to his 2011 best seller *Was That a Name I Dropped* Instead it is the rest of the story told in the same frank and honest manner that earned him kudos for the first book

It is funny sexy insightful moving and will have the viewer turning away in shock and horror in some instances Ultimately it is life Enthusiastic Response to Paul Brogan s Writing Was That a Name I Dropped is even more rare It is a must read and incredible journey and the fastest and most enticing 532 pages I have enjoyed in years Tommy Lightfoot Garrett Canyon News June 19 2011 Paul has now written a top flight memoir which has the narrative flow of a Dickensian novel David Kaufman celebrated New York author of Ridiculous The Theatrical Life and Times of Charles Ludlam 2002 and Doris Day The Untold Story of the Girl Next Door 2008 May 30 2011 It was a nice mixture of personal tragedy and high octane gossip and of course we all love titillation Rex Reed columnist June 8 2011 I also HIGHLY recommend Was That a Name I Dropped by Paul Brogan Paul has known EVERYONE in Hollywood It is an incredible memoir accounting an incredible journey Richard Skipper celebrated producer performer and writer December 10 2011 [365 Daily Prayers and Declarations for Women](#) BroadStreet Publishing Group LLC,2022-04-05 The earth and sky will wear out and fade away before one word I speak loses its power or fails to accomplish its purpose Matthew 24 35 TPT This is one of the many promises God has spoken over you His promises are for every situation and for all time They reflect his character and confirm his purpose for your life This book of prayers and declarations will help you gain confidence in the never ending love and mercy of God When you need encouragement or a reminder of who God is turn to his Word and declare it over your situation God s Word is living and active and as relevant today as it was when it was written As you reflect on these daily entries grab hold of God s promises declare them over your life and discover his unlimited grace and strength for your every need **365 Power Prayers for Women** BroadStreet Publishing Group LLC,2023-04-04 The earth and sky will wear out and fade away before one word I speak loses its power or fails to accomplish its purpose Matthew 24 35 TPT This Scripture is one of the many promises God has spoken over you His promises are for every situation and for all time They reflect his character and confirm his purpose for your life Gain confidence in the never ending love and mercy of God as you read through this book of daily power prayers When you need encouragement or a reminder of who God is turn to his Word and declare it over your situation God s Word is living and active and as relevant today as it was when it was written Grab hold of God s promises declare them over your life and discover his unlimited grace and strength for your every need **Revolutionary Russia, 1891-1991** Orlando Figes,2014-04-08 From the author of A People s Tragedy an original reading of the Russian Revolution examining it not as a single event but as a hundred year cycle of violence in pursuit of utopian dreams In this elegant and incisive account Orlando Figes offers an illuminating new perspective on the Russian Revolution While other historians have focused their examinations on the cataclysmic years immediately before and after 1917 Figes shows how the revolution while it changed in form and character nevertheless retained the same idealistic goals throughout from its origins in the famine crisis of 1891 until its end with the collapse of the communist Soviet regime in 1991 Figes traces three generational phases Lenin and the Bolsheviks who set the pattern of destruction and renewal until their demise in the terror of the 1930s the Stalinist

generation promoted from the lower classes who created the lasting structures of the Soviet regime and consolidated its legitimacy through victory in war and the generation of 1956 shaped by the revelations of Stalin's crimes and committed to making the Revolution work to remedy economic decline and mass disaffection. Until the very end of the Soviet system its leaders believed they were carrying out the revolution Lenin had begun. With the authority and distinctive style that have marked his magisterial histories Figs delivers an accessible and paradigm shifting reconsideration of one of the defining events of the twentieth century.

Ladies in Waiting Laura L. Sullivan, 2012 Enter the scandalous world of King Charles II's court where three young ladies in waiting discover a palace teeming with love intrigue and treachery.

Veronica Brady Kieran Dolin, Tony Hughes-d'Aeth, Doiminic Hyde, 2018-11-01 Veronica Brady 1929-2015 was a nun, academic and activist. Her intellectual life firmly rooted in Australian culture was focussed on stripping the thin veneer of our dominant materialistic culture to forge a greater understanding of our place in a more just world. One time member of the ABC Board Brady was a wine loving bike riding diminutive figure with a fierce reputation for plain speaking. An expert on Australian literature and living life as a communist in a community of Loreto nuns teaching she cut a non conformist figure in an age when the humanist values she upheld seemed increasingly under threat. She strove to defend them with a sharp mind, a contemporary Christian theology and a willingness to put her boots on the ground in street protests. The essays gathered here by colleagues, students, friends and family bring her compassion, interests and concerns to life with an immediacy, fondness and respect. She inspired others through her writings, actions and teaching and the essays reveal her larger than life character, her passion for teaching, her concerns for justice for Indigenous Australians and the intellectual and spiritual legacy she bequeathed to us all.
