Grant,1983-09-01 *Personalism and the Politics of Culture* P. Grant,1996-10-02 This book deals with interrelationships between literature and religion to examine the idea of the person in relation to the politics of culture Throughout Patrick Grant maintains that ideology separates value from fact spirit from matter and this separation depersonalises In a series of chapters dealing with body city others freedom and transgression and through a selection of texts from the New Testament to the Northern Irish poets he shows how literature spirituality and postmodern culture might jointly liberate persons in a society committed to democratic process and socialist values **Christian Fantasy** Colin N. Manlove,1992-06-18 This is the first account of invented stories involving the Christian supernatural In their development a central concern is found to be the fantasy making human imagination itself at first seen as a obstacle to Christian purpose but more recently given freer rein *Spiritual Discourse and the Meaning of Persons* Patrick Grant,1994-03-15 Arguing that there is a close relationship between aspects of the literature of Western spirituality and evolving ideas of the person this book charts the interaction between literature and theology in producing certain historically conditioned interpretations of what it means to be a person **Rhetoric and Violence in Northern Ireland, 1968-98** P. Grant,2001-09-19 During the Northern Irish Troubles of the past thirty years a war of words has accompanied and interpenetrated with the actual conduct of violence in highly complex ways This book considers how literature of the period engages and participates in this war of words It draws on a range of contemporary authors and on a

variety of printed sources including journalists reports political speeches interviews memoirs pamphlets and autobiography The book places the Northern Ireland conflict within a broad European debate about the legitimate use of force and provides an original analysis of the inter relationship between language literature and violence **Reading the New Testament** Patrick Grant,1989-06-18 Recent literary criticism and biblical scholarship are used here to discuss the New Testament s depiction of faith The author argues that these tools can be used to present problems of religious belief imaginatively and to bring home the full challenge of faith **The Role of Imagination in Culture and Society** Astrid Diener,2013-07-22 Owen Barfield 1898 1997 philosopher historian and literary theoretician is well known for his friendship with C S Lewis What is virtually unknown is that he was also admired and promoted by T S Eliot who in the 1920s became his publisher at Faber and Faber There can scarcely be two writers at greater variance than Lewis and Eliot that Barfield was admired by both showed that he was an independent thinker far more subtle and complex than has so far been recognized Diener s book about Barfield s early work is the first systematic study to trace the roots and the development of his thought It places Barfield in the tradition of British and European cultural and social critics including Coleridge Arnold Nietzsche and Rudolf Steiner In the light of this tradition Barfield s work emerges as a unique and constructive contribution to twentieth century thought **T. S. Eliot: A Voice Descanting** Shyamal Bagchee,1990-06-18 Using a variety of approaches from the traditional to the post modern this volume brings together essays by 14 scholars who examine T S Eliot s poetry and criticism These essays were written and edited on the occasion of Eliot s birth centenary God Behind the Screen Janko Andrijasevic,2018-09-03 This interdisciplinary study of literary characters sheds light on the relatively under studied phenomenon of religious psychopathy God Behind the Screen Literary Portraits of Religious Psychopathy identifies and rigorously examines protagonists in works from a variety of genres written by authors such as Aldous Huxley Jane Austen Sinclair Lewis and Steven King who are both fervently religious and suffer from a range of disorders underneath the umbrella of psychopathy
