*Quotations* Fred R. Shapiro,2021-08-31 A revised enlarged and updated edition of this authoritative and entertaining reference book named the 2 essential home library reference book by the Wall Street Journal Shapiro does original research earning this volume a place on the quotation shelf next to Bartlett s and Oxford s William Safire New York Times Magazine on the original edition A quotations book with footnotes that are as fascinating to read as the quotes themselves Arthur Spiegelman Washington Post Book World on the original edition Updated to include more than a thousand new quotations this reader friendly volume contains over twelve thousand famous quotations arranged alphabetically by author and sourced from literature history popular culture sports digital culture science politics law the social sciences and all other aspects of human activity Contemporaries added to this edition include Beyonc Sandra Cisneros James Comey Drake Louise Gl ck LeBron James Brett Kavanaugh Lady Gaga Lin Manuel Miranda Barack Obama John Oliver Nancy Pelosi Vladimir Putin Bernie Sanders Donald Trump and David Foster Wallace The volume also reflects path breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution It has also incorporated

noncontemporary quotations that have become relevant to the present day In addition The New Yale Book of Quotations reveals the striking fact that women originated many familiar quotations yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead This book s quotations annotations extensive cross references and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages

The Education of Henry Adams Henry Adams,2019-01-09 The Education of Henry Adams records the struggle of Bostonian Henry Adams in his later years to come to terms with the dawning 20th century so different from the world of his youth It is also a sharp critique of 19th century educational theory and practice The Modern Library placed it first in a list of the top 100 English language nonfiction books of the twentieth century The Education is much more a record of Adams s introspection than of his deeds It is an extended meditation on the social technological political and intellectual changes that occurred over Adams s lifetime Adams concluded that his traditional education failed to help him come to terms with these rapid changes hence his need for self education The organizing thread of the book is how the proper schooling and other aspects of his youth was time wasted thus his search for self education through experiences friendships and reading Two aspects set The Education apart from the common run of autobiographies First it is narrated in the third person second it is frequently sarcastic and humorously self critical
