Darwin Welford, Here is a must have collection of very fine solo organ works. Some are originals inspired by Psalm texts, others are based on familiar hymn tunes and one luscious setting on Londonderry Air. Welford also includes pieces based on themes by Handel and Alexander Schreiner. Although not simple, these pieces can be mastered by most organists and all will make wonderful additions to recitals or services. Also included are preface notes describing each piece and the inspiration for the creation of these arrangements. Each piece is dedicated to a prominent organist and some have received performance at the Mormon Tabernacle.
