

The book cover features a bright, large yellow sun at the top center. The sky is a vibrant blue, filled with stylized, wavy yellow and white lines representing heat waves. In the foreground, the ground is a cracked, brownish-yellow, indicating extreme dryness. A small, green, leafy plant is struggling to grow from a crack in the ground. To the left, a small green sign on a white post stands on the cracked earth. In the background, a city skyline with various purple and blue buildings is visible under the heat waves.
