

A misty forest scene with a person running away from the viewer towards a bright light at the end of a path. The trees are tall and thin, with some autumn-colored leaves. The ground is covered in fallen leaves. The overall atmosphere is mysterious and slightly eerie.

to serve the present needs of those they haunt These tales of haunting Richardson argues are no mere echoes of the past but function in an ongoing contentious politics of place Through its tight geographical focus Possessions illuminates problems of belonging and possessing that haunt the nation as a whole
