Dawn Over Zero William L. Laurence,2017-06-28 On August 6 1945 the world was electrified by the news that an American Army bomber had dropped an atomic bomb with an explosive power equivalent to 20 000 tons of TNT on the important Japanese military center of Hiroshima Three days later another bomb of improved design and even greater power was dropped on Nagasaki The following day Aug 10 the Japanese sued for peace Newspapers and magazines throughout the world printed many thousands of words about the new weapon and the scientific developments that had made it possible These stories were based largely on official War Department releases prepared by William L Laurence science reporter for The New York Times At the request of the War Department Mr Laurence had been granted a leave by The Times several months earlier Mr William L Laurence was the only newspaper man permitted by the War Department to go to all the plants and inspect the processes of production of the atomic bomb the only newspaper man allowed to witness the secret trial of the bomb in New Mexico and the only newspaper man who witnessed the actual dropping of one of the bombs on Japan from a plane above Nagasaki This book first published in 1946 is the full story so far as it may yet be revealed of the atom bomb written by the man who is unquestionably the best qualified to write it for the layman

Pearl Harbor Craig Nelson,2017-08 A valuable reexamination Booklist starred review of the event that changed twentieth century America Pearl Harbor based on years of research and new information uncovered by a New York Times bestselling author The America we live in today was born not on July 4 1776 but on December 7 1941 when an armada of 354 Japanese warplanes supported by aircraft carriers destroyers and midget submarines suddenly and savagely attacked the United States killing 2 403 men and forced America s entry into World War II Pearl Harbor From Infamy to Greatness follows the sailors soldiers pilots diplomats admirals generals emperor and president as they engineer fight and react to this stunningly dramatic moment in world history Beginning in 1914 bestselling author Craig Nelson maps the road to war when Franklin D Roosevelt then the Assistant Secretary of the Navy attended the laying of the keel of the USS Arizona at the Brooklyn Navy Yard Writing with vivid intimacy Nelson traces Japan s leaders as they lurch into ultranationalist fascism which culminates in their scheme to

terrify America with one of the boldest attacks ever waged Within seconds the country would never be the same Backed by a research team s five years of work as well as Nelson s thorough re examination of the original evidence assembled by federal investigators this page turning and definitive work weaves archival research interviews and personal experiences from both sides into a blow by blow narrative of destruction liberally sprinkled with individual heroism bizarre escapes and equally bizarre tragedies Kirkus Reviews Nelson delivers all the terror chaos violence tragedy and heroism of the attack in stunning detail and offers surprising conclusions about the tragedy s unforeseen and resonant consequences that linger even today

The Gray Lady Winked Ashley Rindsberg,2021-05-03 Think a newspaper can t be responsible for mass murder Think again As flagship of the American news media the New York Times is the world s most powerful news outlet With thousands of reporters covering events from all corners of the globe the Times has the power to influence wars foment revolution shape economies and change the very nature of our culture It doesn t just cover the news it creates it The Gray Lady Winked pulls back the curtain on this illustrious institution to reveal a quintessentially human organization where ideology ego power and politics compete with the more humble need to present the facts In its 10 gripping chapters The Gray Lady Winked offers readers an eye opening often shocking look at the New York Times s greatest journalistic failures so devastating they changed the course of history How its World War II Berlin bureau chief a known Nazi collaborator skewed coverage in favor of the Third Reich for over a decade Its notorious coverup of the Ukraine Famine a genocide committed by Stalin showing that it was the newspaper s owners who directed the coverup in order to advance their own financial and ideological interests The 1619 Project a cynical ideologically driven attempt to revise American history by rooting the nation s birth in slavery instead of liberty The result is an essential look at the tangled relationship between media power and politics in a post truth world told with novelistic flair to reveal a uniquely powerful institution s tortured relationship with the truth Most importantly of all The Gray Lady Winked presents a cautionary tale that shows what happens when the guardians of the truth abandon that sacred value in favor of self interest and ideology and what this means for our future as much as for our past

seminary What dark secrets are the Sheriff and the seminary hiding A dozen or more priests exiled behind the stone walls
Secrets or Rumors That s the puzzle Doc and his partners must piece together in spite of a local politician intent on keeping
some of the pieces off the playing board Larry D Bergsgaard retired after nearly thirty years in law enforcement where he
served as a Special Agent with the United States Department of Treasury and the Minnesota Bureau of Criminal

splendid Santa Rita Mountains in Southern Arizona He is the author of the Doc Martini series which has met with
outstanding success and comments from readers and critics such as this novel elevates Bergsgaard to the level of great
espionage writers the likes of John Le Carre and Fredrick Forsyth Ned Lord There are writers who aspire to be cops there
are cops who would like to become writers Rarely is either successful at both If he was as good at law enforcement as he is at
writing Bergsgaard would appear to be the exception Bill Henry
