2024 Günter Berghaus, 2024-12-02 The first part of Volume 14 of the Yearbook presents ten essays concerned with Futurism in Italy Russia Ukraine Czechoslovakia Romania and Germany and two focusing on dance and typography Among other things this publication provides analysis of the futurist manifestos from late 1910 and 1911 and Velimir Khlebnikov's futurist essays as well as the networks of Futurism in Odessa In the second part a section on Caricatures and Satires of Futurism in the Contemporary Press examines five humorous images from five countries in which the movement and its leader were lampooned This section is followed by nine reviews of recent exhibitions conferences and publications and an annual bibliography with details of 128 new books on Futurism Futurism from international comparative and interdisciplinary perspectives Transcultural view of international avant gardes

Japan's Postwar Michael Lucken, Anne Bayard-Sakai, Emmanuel Lozerand, 2013-03-01 Historical surveys of postwar Japan are usually established on the grounds that the era is already over interpreting postwar to be the years directly proceeding World War II However the contributors to this book take a unique approach to the concept of the postwar epoch and treat it as a network of historical time frames from the modern period and connect these time capsules to the war to which they are inextricably linked The book's strength is in its very interdisciplinary approach to examining postwar Japan and as such it includes chapters centred on subjects as diverse as politics poetry philosophy economics and art which serve to fill the blanks in the collective cultural memory that historical narratives leave behind Originally published in French this new translation offers the English speaking world important access to a major work on Japan which has been greatly enriched by the translator's great accuracy and knowledge of English French and Japanese language history and culture Japan's Postwar will appeal to students and scholars of Japanese Studies and Modern Japanese History as well as historians studying the world after 1945
