John Marshall and the Heroic Age of the Supreme Court R. Kent Newmyer, 2007-04-01 John Marshall 1755 1835 was arguably the most important judicial figure in American history As the fourth chief justice of the United States Supreme Court serving from 1801 to 1835 he helped move the Court from the fringes of power to the epicenter of constitutional government His great opinions in cases like Marbury v Madison and McCulloch v Maryland are still part of the working discourse of constitutional law in America Drawing on a new and definitive edition of Marshall s papers R Kent Newmyer combines engaging narrative with new historiographical insights in a fresh interpretation of John Marshall s life in the law More than the summation of Marshall s legal and institutional accomplishments Newmyer s impressive study captures the nuanced texture of the justice s reasoning the complexity of his mature jurisprudence and the affinities and
