Standup Reagan:

True Reagan James Rosebush, 2016-04-12 WHAT MADE RONALD REAGAN TICK What was the secret to his greatness the source of his influence the key to his character the strength behind his leadership And why does it matter to the nation today Just the mention of his name still evokes deep admiration and affection among Americans of every stripe on both sides of the aisle Many have previously sought to capture the essence of this very public figure often called mysterious and unknowable But now as James Rosebush tells Reagan s story from first hand experience in TRUE REAGAN we come closer to understanding the heart of this great American In his roles as the longest serving Chief of Staff to Nancy Reagan and Deputy Assistant to President Reagan his point man on philanthropy and public private partnerships James Rosebush had unrivaled one on one access to Reagan observing his personality his decision making his guarded nature Rosebush s revelations are moving and meant to inspire us to look to our 40th President for guidance now as we face the global challenges of a complicated 21st century Ronald Reagan was first and foremost an intensely private person although the life he led placed him at the center of people s attention from his earliest years Small town boy and college athlete sportscaster and lifelong sports fan actor and movie star union leader and TV spokesman Democrat and Republican governor and president what an incredible and extraordinary path Rosebush tells how his center core was formed by his mother who devoted herself to helping others even as the Reagans struggled themselves The spiritual foundation she instilled in him by teaching him the Bible governed his thoughts beliefs and actions all his life In a very real sense his upbringing destined Reagan to become a global evangelist for American Exceptionalism but importantly as Rosebush learned first hand that did not mean Reagan thought Americans themselves were superior as today s pundits and politicians often preach Rather Reagan believed that the ideals of America s founding were superior enabling all Americans to live lives based on high ideals and spiritual principles and thus achieve unparalleled success Reagan was uniquely able to lead from true conviction and strength his confidence stemming from an unshakeable fundamental belief system Better understanding the essence of this inspiring and principled leader is critical to our future Journey back with Rosebush through the innumerable examples he recounts from first hand observation and marvel once again at TRUE REAGAN

Hardcore Punk in the Age of Reagan Robert Fitzgerald, 2025-05-27 Few politicians produced the musical reaction that Ronald Reagan did His California branded conservatism inspired countless young people to pick up guitars and thrash out their political angst Punk bands across the United States took aim at the man his presidency and the idea of America he was selling to voters nationwide Small yet vibrant scenes across the country emerged to challenge the communal norms and social values projected on them by the popular media and consumer culture Punk enthusiast Robert Fitzgerald argues that these songs lyrics aren t just catchy and fun to scream along with they also reveal the thoughts and feelings of artists reacting to their political environment in real forthright and uncensored time In candid detail Fitzgerald shows how these lyrics illustrated what young adults felt and how they reacted to one of the most

influential and divisive leaders of the era Punk lyrics are seemingly simple the author argues but they sketch out a complex musically inspired countermovement that is as canonical in the American songbook as the folk and rock protest music that came before
