Stanley Kubrick:

Stanley Kubrick Gary D. Rhodes, 2015-09-03 Seventeen essays examine the career and films of director Stanley Kubrick from a variety of perspectives Part I focuses on his early career including his first newsreels his photography for Look magazine and his earliest films Fear and Desire Killer s Kiss Part II examines his major or most popular films Paths of Glory The Shining 2001 A Space Odyssey Part III provides a thorough case study of Eyes Wide Shut with four very different essays focusing on the film s use of sound its representation of gender its carnivalesque qualities and its phenomenological nature Finally Part IV discusses Kubrick s ongoing legacy and his impact on contemporary filmmakers Instructors considering this book for use in a course may request an examination copy here Stanley Kubrick David Mikics, 2020-08-18 An engrossing biography of one of the most influential filmmakers in cinematic history Kubrick grew up in the Bronx a doctor s son From a young age he was consumed by photography chess and above all else movies He was a self taught filmmaker and self proclaimed outsider and his films exist in a unique world of their own outside the Hollywood mainstream Kubrick s Jewishness played a crucial role in his idea of himself as an outsider Obsessed with rebellion against authority war and male violence Kubrick was himself a calm coolly masterful creator and a talkative ever curious polymath immersed in friends and family Drawing on interviews and new archival material Mikics for the first time explores the personal side of Kubrick s films

Stanley Kubrick Director Alexander Walker, Sybil Taylor, Ulrich Ruchti, 2000-10-03 In the only book written with Kubrick s cooperation the authors offer a frame by frame study of the director's greatest works including Eyes Wide Shut Kubrick's last film directed before his death Photos and illustrations **Listening to Stanley Kubrick** Christine Lee Gengaro, 2012-11-02 The musical scores of Stanley Kubrick's films are often praised as being innovative and forward looking Despite playing such an important part in his productions however the ways in which Kubrick used music to great effect is still somewhat mysterious to many viewers Although some viewers may know a little about the music in 2001 or A Clockwork Orange few are aware of the particulars behind the music in Kubrick's other films In Listening to Stanley Kubrick The Music in His Films Christine Lee Gengaro provides an in depth exploration of the music that was composed for Kubrick's films and places the pre existent music he utilized into historical context Gengaro discusses the music in every single work from Kubrick's first films including the documentary shorts The Flying Padre and Day of the Fight through all of his feature films from Fear and Desire to Eyes Wide Shut No film is left out no cue is ignored Besides closely examining the scores composed by Gerald Fried for Kubrick's early works Gengaro pays particular attention to five of the director's most provocative and acclaimed films 2001 A Space Odyssey A Clockwork Orange Barry Lyndon The Shining and Eyes Wide Shut For each film she engages the reader by explaining how the music was excerpted and changed in some cases and how the historical facts about a musical piece add layers of meaning sometimes unintended to the films Meant for film lovers music lovers and scholars Listening to Stanley Kubrick is a thoroughly researched examination into the musical elements of one of cinema s most brilliant artists

Appropriate for a cinema studies or music classroom this volume will also appeal to any fan of Kubrick's films The Wolf at the Door Geoffrey Cocks, 2004 Discovers a Holocaust subtext in Kubrick's films culminating in his 1980 adaptation of Stephen King's horror novel The Shining Maintains that this is reflected in his depiction of harsh struggles with and over power and violence Several of his films deal with war and state power The Shining is seen as an artistic and philosophical response to the horrors of World War II Among the influences on the filmmaker are Hilberg's The Destruction of the European Jews Kubrick's Jewish past and his early years that were affected by fascism and war Kubrick's marriage into an artistic German family also contributed to his preoccupation with the history of Nazi Germany and the Holocaust which were indirectly reflected in his oeuvre Stanley Kubrick Nathan Abrams, 2018-04-19 Stanley Kubrick is generally acknowledged as one of the world's great directors. Yet few critics or scholars have considered how he emerged from a unique and vibrant cultural milieu the New York Jewish intelligentsia Stanley Kubrick reexamines the director's work in context of his ethnic and cultural origins Focusing on several of Kubrick's key themes including masculinity ethical responsibility and the nature of evil it demonstrates how his films were in conversation with contemporary New York Jewish intellectuals who grappled with the same concerns At the same time it explores Kubrick's fraught relationship with his Jewish identity and his reluctance to be pegged as an ethnic director manifest in his removal of Jewish references and characters from stories he adapted As he digs deep into rare Kubrick archives to reveal insights about the director's life and times film scholar Nathan Abrams also provides a nuanced account of Kubrick's cinematic artistry Each chapter offers a detailed analysis of one of Kubrick's major films including Lolita Dr Strangelove 2001 A Clockwork Orange Barry Lyndon The Shining Full Metal Jacket and Eyes Wide Shut Stanley Kubrick thus presents an illuminating look at one of the twentieth century s most renowned and yet misunderstood directors Stanley Kubrick Vincent Lobrutto, 1999-05-07 Stanley Kubrick director of the acclaimed filmsPath of Glory Spartacus Lolita Dr Strangelove 2001 Space Odyssey A Clockwork Orange The Shining and Full Metal Jacket is arguably one of the greatest American filmmakers Yet despite being hailed as a giant by Orson Welles little is known about the reclusive director Stanley Kubrick the first full length study of his life is based on assiduous archival research as well as new interviews with friends family and colleagues Film scholar Vincent LoBRutto provides a comprehensive portrait of the director from his high school days in the Bronx and his stint as a photographer for Look magazine through the creation of his wide ranging movies including the long awaited Eyes Wide Shut The author provides behind the scenes details about writing filming financing and reception of the director's entire output paying close attention to the technical innovations and to his often contentious relationships with actors This fascinating biography exposes the enigma that is Stanley Kubrick while placing him in context of film history The Kubrick Facade Jason Sperb, 2006 Many of Stanley Kubrick's films are often interpreted as cold and ambiguous Whether viewing Barry Lyndon 2001 The Shining or Eyes Wide Shut there is a sense in which these films resist their own audiences creating a distance from them Though many note the coldness of Kubrick's films

a smaller number attempt to explore exactly how his body of work elicits this particular reaction Fewer still attempt to articulate what it might mean to feel Stanley Kubrick's films In The Kubrick Facade Jason Sperb examines the narrative ambiguity of the director's films from the voice over narration in early works including the once forgotten Fear and Desire to the blank faces of characters in his later ones In doing so Sperb shows how both devices struggle in vain to make sense of the chaos and sterility of the cinematic surface All thirteen of Stanley Kubrick's feature length films are discussed in chronological order from the little seen and long neglected Fear and Desire to the posthumous release of Eyes Wide Shut Sperb also discusses Kubrick's importance to Steven Spielberg's AI While exploring all of Kubrick's films the author concentrates in particular on The Killing Dr Strangelove 2001 The Shining Full Metal Jacket and Eyes Wide Shut This is also the first book length study that focuses considerable attention on Fear and Desire and its relevance to Kubrick's larger body of work In this respect The Kubrick Facade is one of the first truly comprehensive books on narrative in the maverick director s films It is also the first book to integrate a discussion of AI and the first to fully explore the importance of the consistent visual emphasis on blank silent faces in his post Lolita films The Encyclopedia of Stanley Kubrick Gene D. Phillips, Rodney Hill, 2002 Surveys the director's life and career with information on his films key people in his life technical information themes locations and film theory Stanley Kubrick Produces James Fenwick, 2020-12-18 Stanley Kubrick Produces examines Kubrick's role as a producer With the use of neglected archival sources the book makes the case for how Kubrick's centralizing of power in his role as a producer became a self defeating strategy by the 1980s and 1990s one that led him to struggle to move projects out of development and into active production
