by any entity involved in creating or producing the Star Trek television series or films *The Star Trek, the Next Generation* Larry Nemecek,1995 Completely revised and updated this guidebook takes readers all the way through the last two seasons of the series including the Paramount Pictures release of the blockbuster film Star Trek Generations The book includes fascinating behind the scenes information and specially selected photos at least one from every episode **Star Trek: Discovering the TV Series** Tom Salinsky,2024-07-30 In 2022 a devoted science fiction enthusiast embarked on a two year journey to watch every piece of Star Trek media offering insights into the series evolution trivia and cultural impact essential for fans and TV history buffs alike How well do you know Star Trek Lifelong science fiction fan podcaster and author Tom Salinsky decided that the answer was not well enough and so at the beginning of 2022 he embarked on a two year mission to watch everything from the start of The Original Series to the end of Enterprise at the rate of one episode per day This book is the first part of that odyssey covering the 79 television episodes which started it all the animated series which briefly brought it back in the 1970s the first six original movies and the full run of The Next Generation As well as having fun saluting the show s triumphs cringing at its lapses in taste and admiring its willingness to swing for the fences there s lots of fascinating behind the scenes information here Why were salt cellars unchanged in the 23rd century Was Gene Roddenberry really not allowed to show a woman s belly button How many characters get killed during the run of The Animated Series Who actually wrote the script for Wrath of Khan How did Paramount get Next Generation on the air when no network would touch it But you ll also get the benefit of a complete overview of this landmark series watching it unfold and familiar elements appear often much later than you think When s the first mention of the Federation Of Kirk s time being the 23rd century Of there being no money in the future And some elements appear rather earlier than you might think which episode is the first to feature a Holodeck Whether you re a die hard fan a casual viewer or just someone interested in the history of television you ll adore coming on this daily journey though the highs and lows of one of the most significant and much loved media properties in the world The Continuing Mission Judith Reeves-Stevens,Garfield Reeves-Stevens,1997 Featuring 750 never before seen illustrations and full color photographs this visually stunning book focuses on the creation of the hit series Star Trek The Next Generation Its true unique focus however is on the people who wrote the series created the art played the roles and fashioned the special effects Plagues, Apocalypses and Bug-Eyed Monsters Heather Urbanski,2015-01-24 Speculative fiction both science fiction and fantasy reflects among other things the fears of the culture that created it contributing perhaps unconsciously to our efforts to prevent our fears from coming true While the names and media change over time the themes of speculative fiction have a long history Nineteenth century works such as Frankenstein and The Invisible Man contain many of the same messages as the more modern tales of Terminator Jurassic Park and even Buffy the Vampire Slayer although almost a century separates their creation This critical study discusses the ways in which speculative fiction reflects societal fears and analyzes how such cautionary tales contribute to society s efforts to avoid the realization of these fears

Beginning with a discussion of the nature of speculative fiction it takes a look at the characteristics of the cautionary tale The core of the book however is the concept of the Nightmares Model which examines and categorizes the repetition of specific themes within the genre The dangers of science and technology the perils of power and the threat of the unknown are discussed as recurrent themes within a variety of works in prose film and television Works analyzed range from Twenty Thousand Leagues Under the Sea to 2001 A Space Odyssey to The Blair Witch Project Sources include the author's own observations as a member of the genre's fandom a variety of published commentaries and the perspectives of contemporary professionals gained through personal interviews and panel discussions
