Star Trek Deep Space Nine Episode 14 The Storyteller:

A Different Trek David K. Seitz, 2023-07 A different kind of Star Trek television series debuted in 1993 Deep Space Nine was set not on a starship but a space station near a postcolonial planet still reeling from a genocidal occupation The crew was led by a reluctant Black American commander and an extraterrestrial first officer who had until recently been an anticolonial revolutionary DS9 extended Star Trek's tradition of critical social commentary but did so by transgressing many of Star Trek's previous taboos including religion money eugenics and interpersonal conflict DS9 imagined a twenty fourth century that was less a glitzy utopia than a critical mirror of contemporary U S racism capitalism imperialism and heteropatriarchy Thirty years after its premiere DS9 is beloved by critics and fans but remains marginalized in scholarly studies of science fiction Drawing on cultural geography Black studies and feminist and queer studies A Different Trek is the first scholarly monograph dedicated to a critical interpretation of DS9's allegorical world building If DS9 has been vindicated aesthetically this book argues that its prophetic place based critiques of 1990s U S politics which deepened the foundations of many of our current crises have been vindicated politically to a degree most scholars and even many fans have yet to fully appreciate *The Star Trek Encyclopedia* Michael Okuda, Denise Okuda, Debbie Mirek, 2011-05-17 From audet IX to Zytchin III this book covers it all This is the ultimate reference book for all Star Trek fans Added to this edition are 128 new pages This addendum highlights the latest episodes of Star Trek Deep Space Nine Star Trek Voyager and the newest feature film Star Trek Insurrection The thousands of photos and hundreds of illustrations place the Star Trek universe at your fingertips Planets and stars weapons and ships people and places are just part of the meticulous research and countless cross reference that fill this book **The Video Source Book** David J. WEINER, 1990 **To Boldly Stay** Sherry Ginn, Michael G. Cornelius, 2022-05-13 Despite the fact that Star Trek Deep Space Nine ended over twenty five years ago there has yet to be a stand alone assessment of the series This collection corrects that omission examining what made Deep Space Nine so unique within the Star Trek universe and how that uniqueness paved the way for an altogether new entirely different vision for Star Trek If the Star Trek slogan has always been to boldly go where no one has gone before then Deep Space Nine helped to bring in a new renaissance of serialized television that has become normal practice Furthermore Deep Space Nine ushered in critical discussions on race gender and faith for the franchise science fiction television and American lives It relished in a vast cast of supporting characters that allowed for the investigation of psychosocial relationships from familial issues to interpersonal and interspecies conflict to regional strife that the previous Star Trek series largely overlooked Essays explore how Deep Space Nine became the most richly complicated sci fi series in the entire Star Trek pantheon The New Trek Programme Guide Paul Cornell, Martin Day, Keith Topping, 2013-10-31 STAR TREK is one of the world's most popular and enduring science fiction franchises spanning decades worth of TV film comics books and more This book originally published just as DEEP SPACE NINE was first being produced analyses the rebirth and renaissance of the series in the nineteen

eighties and nineties Along with masses of factual information plot synopses cast and crew and uniquely British transmission dates this Programme Guide casts a gently critical eye over the series continuity and lack of it and lingers over the moments of humour intentional and otherwise In sum this is a light hearted detailed and affectionate overview of the revitalised version of the classic STAR TREK Please note that it has not been updated since its original publication **Net Trek** Kelly Maloni,1995 Packed with concise high interest descriptions handy side bars and eyecatching graphics this is the first comprehensive listing of online Trekker interest groups conferences forums games and trivia It covers the Internet the major commercial services including CompuServe America Online and Prodigy and hundreds of bulletin boards **Doug Pratt's DVD** Douglas Pratt,2005 Doug Pratt is the leading reviewer of DVDs a contributor to Rolling Stone and editor and publisher of The DVD Laserdisc Newsletter Choice says Pratt s writing is amusing comprehensive and informative Rolling Stone calls this two volume set the gold standard on all things DVD The set is unique in giving space to non feature film DVDs the fastest growing area of the market Not just a reference book it s also good reading *The Making of Star Trek, Deep Space Nine* Judith Reeves-Stevens,Garfield Reeves-Stevens,1994 An in depth look behind the scenes of the smash hit television series
