

The background of the cover is a deep space scene. At the top, a bright light source, likely the sun, creates a lens flare effect with rays of light. Below this, the words "STAR TREK" are written in a bold, orange, sans-serif font. Underneath that, the word "STARDATE" is written in a larger, silver, 3D-style font with a metallic sheen. At the bottom, the text "2006 DAY-TO-DAY CALENDAR" is written in the same orange font as "STAR TREK". The lower half of the image is dominated by the curved horizon of a blue planet, showing swirling cloud patterns in shades of blue and white.

Steve Kelley

Star Trek Stardate 2006 Calendar:

Star Trek The Collectibles Steve Kelley, 2008-09-26 This book provides a wide range of Star Trek treasures you can appreciate whether you're a devoted Trekkie or a novice collector of this epic American science fiction franchise. Then the pages of this spectacular guide you'll discover more than 1,500 color photos including memorabilia direct from Paramount Studios warehouses. In addition, you'll enjoy chapters covering more than 40 years of Star Trek action figures, lunch boxes, games, pins, posters, uniforms, original scripts, and countless other items, all with identifying details and current market values.

Star Trek Stardate 2004 , *Star Trek: Enterprise: Last Full Measure* Michael A. Martin, Andy Mangels, 2006-09-14 A thrilling Star Trek Enterprise novel that follows Starfleet in a race against time to save Earth. Without warning or provocation, an alien weapon appears above Earth and unleashes a blast that kills millions across two continents. In a desperate bid to save Earth and its people, Starfleet must change its mission from one of peaceful exploration to one of military service. Only the USS Enterprise is fast enough to stop the production of a second weapon. But the crew cannot do it alone, and Captain Jonathan Archer accepts a contingent of Military Assault Command Operations personnel, battle-hardened soldiers known as MACOs, on board his ship. Starfleet and the MACOs are two very different services sharing a common goal but are divided in their views of how to attain it. It is a culture clash that echoes across centuries of military service. The men and women on board the Enterprise understand that somehow they must succeed in working together or the price will be paid in blood. Failure is not an option.

Voyages of Imagination: The Star Trek Fiction Companion Jeff Ayers, 2006-12-29 Through four decades, five television series comprising over seven hundred episodes, ten feature films, and an animated series, fandom's thirst for more Star Trek stories has been unquenchable. From the earliest short story adaptations by James Blish in the 1960s, followed by the first original Star Trek novels during the seventies, and on throughout the eighties, nineties, and into the twenty-first century, fiction has offered an unparalleled expansion of the rich Star Trek tapestry. But what is it that makes these books such a powerfully attractive creative outlet to some and a compelling way to experience the Star Trek mythos anew to others? *Voyages of Imagination* takes a look back on the first forty years of professionally published Star Trek fiction, revealing the personalities and sensibilities of many of the novels' imaginative contributors and offering an unprecedented glimpse into the creative processes, the growing pains, the risks, the innovations, the missteps, and the great strides taken in the books. Author Jeff Ayers has immersed himself in nearly six hundred books and interviewed more than three hundred authors and editors in order to compile this definitive guide to the history and evolution of an incomparable publishing phenomenon. Fully illustrated with the covers of every book included herein, *Voyages of Imagination* is indexed by title and author, features a comprehensive timeline, and is a must-have for every fan.
