Starring Michael Caine:

What's It All About? Michael Caine, 2012-03-31 From Alfred to Zulu Michael Caine has been Britain's best loved actor for half a century. Now for the first time he reveals the truth behind his remarkable life. From his time as an evacuee during the Blitz to his front line military service in the Korean War, from his early days as an assistant stagehand to becoming Peter O'Toole's understudy, from walk-on parts in local theatres to blowing the bloody doors off with his legendary roles in *Zulu* and *The Italian Job*, Caine's life was never simple or easy. Discussing his little known childhood and family alongside his hard fought journey from London to Hollywood, Caine writes with astonishing candour about the good years and the lean years, bringing his unique charm and humour to his anecdotes and memories of a sprawling movie making career. If you worked in Hollywood in the last few decades you've probably worked with Michael Caine, and his accounts of his relationships with other superstars both on and offscreen make this autobiography essential reading for any fan, not just of Michael Caine but of film in general.

New Fiction Book Michael Caine, 2023-12-05 DCI Harry Taylor has no respect for red tape or political reputations, but he's great at catching criminals. And all his unorthodox skills will be needed as an extraordinary situation unfolds on his doorstep: a metal box of radioactive material is found at a dump in Stepney, East London, but before the police can arrive it is stolen in a violent raid. With security agencies across the world on red alert, it's Harry and his unconventional team from the Met who must hit the streets in search of a lead. They soon have two wildly different suspects: aristocratic art dealer Julian Smythe in London and oligarch Vladimir Voldrev in Barbados. But the pressure is on. How much time does Harry have, and how many more players will join the action before the missing uranium is lighting up the sky? *Deadly Game* is a compelling, fast-paced novel of international intrigue and twisting suspense from a legendary actor and British icon who now proves himself to be a first-rate thriller writer.
