Starship Captain R. S. Köehler, 2004 **Starship Captain** R. S. Köehler, 2004-04 **From Starship Captains to Galactic Rebels** Kimberly Yost, 2013-12-12 Real world leaders hold the fates of companies armies and nations in their hands but the leaders portrayed in science fiction play for larger stakes Their decisions determine the survival of species planets or reality itself They tend therefore to be larger than life characters like Doc Savage Obi Wan Kenobi and Captain James T Kirk In *From Starship Captains to Galactic Rebels* Kimberley Yost brings the principles of leadership studies to bear on characters from a quarter century of classic science fiction television series examining how their adventures can illuminate the challenges of real world leadership These in depth case studies cover a full range of science fictional leaders from conventional heroes such as Jonathan Archer of *Star Trek Enterprise* to William Adama and Laura Roslin the dark conflicted protagonists of *Battlestar Galactica* Charismatic rebels like Malcolm Reynolds of *Firefly* and the ragtag fugitives of *Farscape* stand alongside pillars of the establishment like John Sheridan of *Babylon 5* In her analysis Yost considers emerging flawed and failed leaders as well as successful ones women as well as men and aliens as well as humans An insightful examination of how leadership is represented on the small screen *From Starship Captains to Galactic Rebels* will appeal not only to fans of televised science fiction but also to those grappling with the problems of leadership regardless of their species **Beyond the Unknown** Neil L. Hawkins, 2019-03-15 This seventh sequel to *The Book in the Loft* series involves the fulfillment of a dying man's request and takes Commander Neil MacBruce and the crews of *Explorer* and *Star Traveler* to investigate an object moving toward them from deep inside a vast empty region within the galaxy What will the crews discover and how will they unravel the questions that arise In their attempt to find the answers they begin a journey that finds them engaged in a life and death struggle on the other side of nowhere **Persistence Through Time, and Across Possible Worlds** Jiri Benovsky, 2013-05-02 How do ordinary objects persist through time and across possible worlds How do they manage to have their temporal and modal properties These are the questions addressed in this book which is guided tour of theories of persistence The book is divided in two parts In the first the two traditional accounts of persistence through time endurantism and perdurantism are combined with presentism and eternalism to yield four different views and their variants The resulting views are then examined in turn in order to see which combinations are appealing and which are not It is argued that the worm view variant of eternalist perdurantism is superior to the other alternatives In the second part of the book the same strategy is applied to the combinations of views about persistence across possible worlds trans world identity counterpart theory modal perdurants and views about the nature of worlds mainly modal realism and abstractionism Not only all the traditional and well known views but also some more original ones are examined and their pros and cons are carefully weighted Here again it is argued that perdurance seems to be the best strategy available **Captain's Blood** William Shatner, 2012-10-09 The Romulan Empire is in disarray after the destructive leadership of the Roman Shinzon and

Ambassador Spock launches a bold attempt to reunify the Romulans with their distant forbears the Vulcans But when Spock is publicly assassinated at a Romulan peace rally Starfleet and the Federation are unable to search for the criminals responsible without triggering an intergalactic war Thus it falls to James T Kirk to investigate the death of his beloved friend Given covert assistance by Captains Jean Luc Picard on the newly refitted Enterprise and Will Riker on the Argo Kirk travels to Romulus as a civilian accompanied by his eight year old son Joseph and the cantankerous Dr McCoy There he discovers an alluring enemy from his past and discovers that Spock s apparent murder hides a deeper mystery one that reaches back in time to the very origins of life on Earth Trapped on a deadly alien world on the eve of a civil war that could plunge the galaxy into a civilization ending conflict Kirk s investigation brings him at last to a hidden Reman fortress There he uncovers the true threat facing the Romulans and learns that for peace to prevail he must sacrifice his son whose blood holds a staggering secret
