Start In Life:

A Start in Life Honoré de Balzac, 2024-07-06T18:13:47Z Oscar Husson is a young man with an overdeveloped sense of pride His mother who has pampered him excessively places him on a coach to go spend time with a friend of hers to see if Oscar s prospects can be improved but Oscar proceeds to make a fool of himself Suffering the consequences of his humiliation his mother pulls other strings to land him a lesser job where Oscar eventually falls flat again Forced into the military by his circumstances and his lack of other prospects he finally redeems himself At its core a bildungsroman A Start in Life is filled with the types of side characters that inhabit every Balzac story the rich the pretenders striving to be rich the everyman and woman The novel opens with an extended journey on a French carriage and the claustrophobic conversation that takes place between the passengers it closes with another similar journey years later that includes most of the same travelers In between are multiple intrigues involving Oscar written in the vivid style for which Balzac is known This book is part of the Standard Ebooks project which produces free public domain ebooks The Bit Before the Start.
