Sisterhood of the Blue Storm David Rain, 2015-11-19 In a time lost in legend the Isles of Wenaya were united in worship of Javander goddess of the seas From her fantastical palace beneath the waves Javander presided over a caste of priestesses linked in a thrumming psychic web Then the web was broken Javander s people turned to false gods and the priestesses who once served her so well became the Sisterhood of the Blue Storm Ten boys on the cusp of adulthood arrive on the empty tropical island of Xaro to undergo their Manhood Trial an age old ritual meant to build character as they leave their childhood behind They thought they could survive alone But that was before the killing began That was before the Blue Storm To this island of dark magic come Jem and his companions pursuing their mystic quest for the long lost crystals of the Orokon desperate to find Javinder s blue jewel before Jem s evil rival the anti god Toth Vexrah gets there Never has the quest been so perilous Originally released under the pseudonym Tom Arden

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
