Teaching For Christian Hearts Souls And Minds:

Reformation of the Heart, Soul and Mind C. Matthew McMahon, 2021-09-26 In this study McMahon considers the universal and perpetual teaching of loving God and loving one's neighbor as it pertains to the heart soul and mind of a Christian His main text is taken from Christ's words in Matt 22 37-39 Thou shalt love the Lord thy God with all thy heart and with all thy soul and with all thy mind The love that Christians ought to have in light of biblical reformation consist in loving God with all the heart soul and mind and loving one's neighbor Though this is often thought of as a nice religious sentiment many Christians have no idea how that works out in the life of the Christian Where did Jesus get such a notion and what was he teaching Biblical reformation is set within this love to God and that without it no one can ever be reformed and no revival will ever take place in the whole world In this Jesus words are far reaching and they are a basic fundamental tenant of the Christian religion Jesus did mean what he in fact said to love God in heart soul and mind is loving him in a superlative degree the highest degree Does this seem impossible How does reformation and loving God fit together And how does reformation of the heart soul and mind for God's glory and our good work itself out in light of Scripture This is the substance of this work

So What Makes Our Teaching Christian? Robert W. Pazmino, 2008-09-22

This work explores a perennial question that Christians who are called to teach must consider: So what makes our teaching Christian? It considers the essential and distinctive elements of Christian teaching by examining the apostles' teaching ministry in the Book of Acts and aspects of Jesus's own teaching in the Gospel of John. It proposes how teaching in the name, spirit, and power of Jesus relates to the teaching ministries of Christians today. For example, an in-depth look at Jesus's teaching of both Nicodemus and the Samaritan woman known in Christian tradition as Photini provides insights for transformative teaching of both insiders and outsiders in a Christian community. This work is a theological, pastoral, and educational exploration of Christian teaching that has implications for both laity and clergy in their ministries.

A Place of Faith Jim Greene, 2012-07

What or where is the place of faith? Is it a physical location? No, it is where we are when we step out into the unknown in blind yet obedient faith, because that is all that is we have left. Our Christian vocabulary is filled with ideas, quotes, and even promises from God that are meant for our comfort and reassurance. As real as God's Word is, what happens when all has been recalled and rehearsed and we still find ourselves alone at the place of faith?
