Resources in Education ,1999 *Forthcoming Books* Rose Arny,1994 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 *Doing History* Linda S. Levstik,Keith C. Barton,2022-09-06 Now in its sixth edition *Doing History* offers a unique perspective on teaching and learning history in the elementary and middle grades Through case studies of teachers and students in diverse classrooms and from diverse backgrounds it shows children engaging in authentic historical investigations often in the context of an integrated social studies curriculum The book is grounded in the view that children can engage in valid forms of historical inquiry asking questions collecting and analyzing evidence examining the varied perspectives and experiences of people in the past and creating evidence based historical accounts and interpretations Grounded in contemporary sociocultural theory and research the text features vignettes in each chapter showing communities of teachers and students doing history in environments rich in literature art writing and discussion The authors explain how these classrooms reflect contemporary principles of teaching and learning and thus the descriptions not only provide specific examples of successful activities but also place them in a context that allows teachers to adapt and apply them in a wide range of settings *Doing History* emphasizes diversity in two ways Readers encounter students from a variety of backgrounds and see how their diverse experiences can form the foundation for learning and they also see examples of how teachers can engage students with diverse experiences and perspectives in the past including those that led to conflict and oppression The book also discusses principles for working with English learners and newcomers and it provides guidance in using multiple forms of assessment to evaluate the specifically historical aspects of children s learning Updates to this edition include updated historical and instructional examples to ensure currency new suggestions for children s literature to support good teaching expanded attention to teaching about oppressed groups in history and greater attention to when historical perspective taking is and is not appropriate **The Brothers and Sisters Learn to Write** Anne Haas Dyson,2003 Building on her groundbreaking work in *Writing Superheroes* Anne Dyson traces the influence of a wide ranging set of textual toys from children s lives church and hip hop songs rap music movies TV traditional jump rope rhymes the words of professional sports announcers and radio deejays upon school learning and writing Wonderfully rich portraits of five African American first graders demonstrate how children s imaginative use of wider cultural symbols enriches their school learning Featuring lively and engaging vignettes of children who are often left behind by our educational system this book Provides a detailed view of written language development from inside a particular childhood culture Shows that children bring a rich folk culture to school and demonstrates how they remix their cultural references to accommodate school tasks such as writing Turns the traditional educational view inside out by starting from inside a child s culture and looking out toward the demands of school rather than starting on the outside of the child and looking in Provides concrete examples of how children s cultural literacy practices translate into classroom practices and in turn into practices of academic success

The most significant work that has ever been done in this area It is superior in every respect and Anne Dyson writes like a dream Tom Newkirk University of New Hampshire This book is unique in that it features students who draw on the cultural experiences of the Black church sister and brother play family games rap and Black popular music It should be ideal in courses on literacy learning Arnetha Ball School of Education Stanford University **Bridging the Literacy Achievement Gap, Grades 4-12** Dorothy S. Strickland, Donna E. Alvermann, 2004-05-26 This book addresses critical issues related to pre adolescent and adolescent literacy learners with a focus on closing the achievement gap Despite efforts by educators and policymakers during the past several decades certain groups of students primarily African American students English language learners and students from low income homes continue to underperform on commonly used measures of academic achievement Too often teachers and administrators lack both proper preparation and good ideas to confront these issues

Critical Passages Kristin Dombek, Scott Herndon, 2004 This practical handbook examines the gap between high school and college level writing instruction providing teachers with guidance for helping their students make the transition including strategies for dealing with the many challenges of the writing classroom **Research on Composition** Peter Smagorinsky, 2006 Covering the period between 1984 and 2003 this authoritative sequel picks up where the earlier volumes Braddock et al 1963 and Hillocks 1986 now classics in the field left off It features a broader focus that goes beyond the classroom teaching of writing to include teacher research second language writing rhetoric home and community literacy workplace literacy and histories of writing Each chapter is written by an expert in the area reviewed and covers both conventional written composition and multimodal forms of composition including drawing digital forms and other relevant media Research on Composition is an invaluable road map of composition research for the next decade and required reading for anyone teaching or writing about composition today

The Testing Trap George Hillocks, 2002-04-12 Do statewide assessments really do what they are supposed to do Through interviews with over three hundred teachers and administrators Hillocks examines whether state writing tests in Illinois Kentucky Oregon New York and Texas actually improve students ability to express their thinking in writing Ultimately Hillocks argues that the majority of existing tests actually have a harmful effect on the way students are taught to write In addition to providing analyses of assessments that do not encourage good writing The Testing Trap contrasts them to those that do Concluding with practical procedures for examining and evaluating writing assessments this book is a provocative and essential read for administrators teachers policymakers parents and all who care about the education of our children

New Literacies in Action William Kist, 2005 This book examines the work of pioneers teachers who have transformed their classrooms in an effort to broaden the literacy of their students describing some of the most innovative examples of teaching and learning
