Teaching The Christian Hope Unlocking Biblical Eschatology For The Expositor:

Teaching the Christian Hope David Jackman, 2008-11-20 Six major themes connected with the Christian hope Enables Bible teacher to teach with clarity and purpose **What are We Waiting For?** Russell Rook, Stephen R. Holmes, 2008 People often feel that biblical theology of future and hope is of little practical value for life in the present Christians are suspected of waiting for a pie in the sky when they die instead of dealing with the steak on their plate while they wait But the writers in this book argue that eschatology of creation s future in God s purposes is profoundly relevant for contemporary life The book outlines biblical and historical teachings on eschatology and then creatively explores their implications for a range of current issues from art to politics from ecology to pop culture from mission to work and from gender issues to ethics

Our Christian Hope David S. Dockery, 2008-01-01 With the dawning of a new millennium many are probing ancient prophecies for light on world events David Dockery commendably focuses on inspired Scripture as Southern Baptists ask what doctrines legitimately offer Christian hope Carl F H Henry author of *God Revelation and Authority* In an age of failed utopias and false messiahs on every hand believers need more than ever before to be reminded of the great promise of Christ s return in glory David Dockery does a superb job of focusing on the main event at the conclusion of world history the Second Coming of Jesus Christ This study helps us avoid idle speculation by lifting our hearts to our risen and returning savior Timothy George Dean and Professor of Divinity Beeson Divinity School The excellences of *Our Christian Hope* are many David Dockery has given enough content to deal with pressing contemporary questions which people ask about the end times Christians should read and study this book thoroughly Thomas D Lea former Dean Southwestern Baptist Theological Seminary David Dockery has demonstrated once again that he is one of evangelicalism s gifted theologians He has articulated the doctrine of eschatology with clarity and conviction This book is simply an outstanding study of a critical doctrine Thom S Rainer President and CEO of LifeWay Christian Resources *A New Heaven and a New Earth* J. Richard

Middleton, 2014-11-25 In recent years more and more Christians have come to appreciate the Bible s teaching that the ultimate blessed hope for the believer is not an otherworldly heaven instead it is full bodied participation in a new heaven and a new earth brought into fullness through the coming of God s kingdom Drawing on the full sweep of the biblical narrative J Richard Middleton unpacks key Old Testament and New Testament texts to make a case for the new earth as the appropriate Christian hope He suggests its ethical and ecclesial implications exploring the difference a holistic eschatology can make for living in a broken world **Preaching and Teaching the Last Things** Walter C. Kaiser, Jr., 2011-09-01 Distinguished Old Testament scholar Walter Kaiser believes that the Old Testament is sorely neglected today in teaching and preaching but it is even more neglected when it comes to setting forth the hope that Christians have for the future Firmly believing that the Old Testament offers important insights into biblical eschatology and the Christian life he provides guidance for expositing fifteen key Old Testament eschatological passages to preachers teachers and Bible students Each

chapter focuses on a single biblical text Kaiser introduces the topic examines the issues notes who has contributed to some of the solutions and shows how this sets up the text to be exegeted and prepared for exposition **The Christian Hope** Brian Hebblethwaite,2010-09-02 Since *The Christian Hope* was first published in 1984 eschatology has remained a central concern of Christian Theology This updated edition allows a new readership to engage afresh with questions of eschatology in a twenty first century context Book Jacket **Christian Hope & the Future** Stephen Travis,1980 *A Heart for the Future* Robert Boak Slocum,2000-01-01 Prominent thinkers writers and well known voices in the Episcopal Church come together to present a very broad spectrum of Christian thought and eschatology Ultimately what they have in common is the belief that the choice Christian must make is not between the now and the eternal it is between being forward looking and being backward looking Unless we look with eagerness and longing toward the future we will stay stranded in the past To live the Christian life today we need a heart for the future Eschatology and Hope Anthony Kelly ,2006 *Christ Our Hope* Paul O'Callaghan,2011 *Christ Our Hope* is a masterful reflection on Christian eschatology in a textbook of twelve accessible chapters
