Promoting Social Justice for Young Children Beatrice S. Fennimore,A. Lin Goodwin,2011-04-05 This book explores important current social justice issues that confront young children in America A broad range of topics related to the fair treatment of young children and their families are approached with a fresh and hopeful energy The central argument of this volume is that a fair and just society must protect the basic needs of all children so they are able to reach their full potential to learn grow and ultimately become productive democratic citizens The book includes contributions from an impressive group of authors who have been consistent voices for the fair and equitable treatment of children in school and society Each chapter examines a critical issue in child social justice with a focus on the current problem historical importance of the issue potential solutions and a vision for the future The book has been developed to reach a wide audience of professionals whose work involves children and who have grown concerned about social forces that cause child suffering and threaten the well being or even the survival of children in the United States Readers will come away with up to date information and a renewed commitment to being life long advocates for children

Teaching the Dimensions of Literacy Stephen B. Kucer,Cecilia Silva,2012 Teaching the Dimensions of Literacy provides both the conceptual knowledge to support teachers instructional decisions in the reading literacy classroom and a multitude of instructional strategy lessons for classroom use with both monolingual and bilingual students It proposes that teachers need to help children become code breakers the linguistic dimension meaning makers the cognitive dimension text users and critics the sociocultural dimension and scientists the developmental dimension Acknowledging and addressing all four dimensions this text links literacy theory literacy research and literacy practice in a useable way Covering both reading and writing it features clear concise and useable reading and writing strategy lessons and ways to modify them for different types of students Changes in the Second Edition Entirely reorganized the text is more user friendly builds a stronger link between theory and practice and makes it is easier for teachers to locate appropriate strategy lessons to use with their

students Academic literacy is addressed more fully

Standing Up for Something Every Day Beatrice S.

Fennimore, 2014-05-01 Standing Up for Something Every Day is written for present and future teachers in the early childhood classroom who truly want to make a difference in the lives of children Exploring some of the most complex and pressing social and ethical dilemmas confronting early childhood educators the author provides concrete ways of addressing social justice concerns in practice Four model teacher guides accompany readers from chapter to chapter and demonstrate strategies for standing up for children through ethics respect for diversity and commitment to advocacy for children This book offers important insights encouragement and practical suggestions to early childhood educators who are committed to excellence and equity in their classrooms

The War Play Dilemma

Diane E. Levin, 2006 As violence in the media and media linked toys increases parents and teachers are also seeing an increase in children's war play The authors have revised this popular text to provide more practical guidance for working with children to promote creative play and for positively influencing the lessons about violence children are learning Using a developmental and sociopolitical viewpoint the authors examine five possible strategies for resolving the war play dilemma and show which best satisfy both points of view banning war play taking a laissez faire approach allowing war play with specified limits actively facilitating war play and limiting war play while providing alternative ways to work on the issues New for the Second Edition are more anecdotal material about adults and children's experiences with war play including examples from both home and school settings greater emphasis on the impact of media and commercialization on children's war play including recent trends in media programming marketing and war toys expanded discussion about the importance of the distinction between imitative and creative war play and summary boxes of key points directed at teachers or parents New information about violent video games media cross feeding and gender development and sex role stereotyping

Rebuilding Sustainable Communities for Children and their

Families after Disasters Adenrele Awotona, 2009-12-14 Disasters impose enormous misery on children the most vulnerable members of the community Records show that two million children have died as a direct consequence of armed conflict over the past decade Globally millions more have suffered death disease and dislocation as a result of such natural disasters as earthquakes droughts and floods And even when emergency relief is available permanent human damage remains all too often families fall apart women are assaulted and degraded and children are left to take care of themselves In November 2008 the Center for Rebuilding Sustainable Communities after Disasters at the University of Massachusetts Boston USA hosted an international conference to examine how to reconstruct sustainable communities that would be safe and secure for children and their families after disasters This volume collects some of the papers that were presented at the conference It is remarkable for the sheer assortment of topics covered These include the role of gender equality in alleviating poverty and assisting children their families and their communities after disasters war and child soldiers lessons from Hurricane Katrina and the Tsunami the nature of psychosocial resilience and its significance for managing mass emergencies disasters and

terrorism and the promotion of human dignity in the creation of sustainable environments that empower families in the aftermath of disasters

Beyond Behavior Management Jenna Bilmes, 2013-01-15 Why do children do the things they do What can teachers do to manage it all While there is not a simple method for understanding and managing all behaviors or all children teachers can give young children the social and emotional tools needed to grow and thrive on their own Developed and tested in the classroom Beyond Behavior Management is a strength based approach to guiding and managing young children s behavior by helping them build and use essential life skills attachment collaboration self regulation adaptability contribution and belonging into the daily life of the early childhood classroom As a result children will learn to exhibit more pro social behaviors work better as a community and become excited and active learners This edition includes two new chapters and content reflecting early learning standards new research cultural diversity and strategies to strengthen the home school connection Discussion and reflection questions exercises journal assignments child profile templates a planning worksheet and sample scripts are also included Jenna Bilmes is an early childhood consultant and an instructional designer for WestEd Child and Family Services She is a frequent presenter to teachers administrators and counselors nationally and internationally

Play Sandra Heidemann, Deborah Hewitt, 2009-05-01 Play skills are life skills as children develop them they also learn important social skills that they will use throughout their lives Teachers will find successful strategies for implementing changes in the classroom to enhance the environment for play and techniques to help support children s development This is the revised edition of the well respected and relied upon handbook Pathways to Play Play contains activity ideas that encourage play skills checklists to help identify where children are having problems specific teaching strategies and assessment options This new edition also examines how play theory translates into practice

Waging Peace in Our Schools Linda Lantieri, Janet Patti, 1998-07-01 From the largest and most successful school initiatives in social and emotional learning in the country The Resolving Conflict Creatively Program now active in more than 350 schools nationwide comes a powerful practical guide for teaching young people to empathize mediate negotiate and create peace The authors address everything from minor schoolyard conflicts to violent outbursts and offer educators and parents proven strategies for enhancing children s emotional social and conflict resolution skills

Teaching Young Children In Violent Times 2nd: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Teaching Young Children In Violent Times 2nd : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Teaching Young Children In Violent Times 2nd : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
