Team Leadership for Student Achievement Ellen Henderson, Jeannie Henry, Judith Brody Saks, Anne Wright, 2001 Addresses roles of the school board and superintendent in raising student achievement and provides case studies and resources

The Board-Savvy Superintendent Paul D. Houston, Doug Eadie, 2002-11-23 The Board Savvy Superintendent s hard hitting no nonsense advice on school board leadership capitalizes on Houston and Eadie s hands on experience working with hundreds of boards and superintendents over the past quarter century It is a practical survive and thrive book that will help school district leaders board members superintendents and senior administrators learn to work together successfully in leading their districts in these extraordinarily challenging times Filled with detailed thoroughly tested guidance on how to acquire the skills and knowledge that make up board savvyness it also addresses how to develop the school board s capacity to produce truly high impact governance and how to build a strong enduring productive board superintendent working partnership The authors take a fresh look at the process of governing going well beyond the old fashioned control focused policy governance approach Rather than being preoccupied with developing a static structure of policies to distinguish the board s role from the superintendent s the book describes how the board and superintendent can creatively work together in making decisions about such critical governing products as values vision mission and strategic change initiatives School district leaders will appreciate The Board Savvy Superintendent s close look at the gold standard for board involvement in school affairs leading strategic change The authors go well beyond the conventional long range planning approach of merely projecting everything a school district is doing for some arbitrary period of 3 or 5 years which has generated tons of paper and little important change to provide the reader with detailed practical guidance on engaging school boards creatively and proactively in a much more selective vision driven process that actually results in the implementation of strategic change the Strategic Change Portfolio

Five Habits of High-Impact School Boards Douglas C. Eadie, 2005 Written from the unique perspective of school board members who lead and serve districts of all sizes this book provides succinct straightforward information that school board members and superintendents can put to immediate use Eadie explores five key behavioral traits of high impact school boards Concentration on governing above all other board work Development of the board s capacity to govern Active participation in leading district strategic change Meticulous attention to keeping the board superintendent partnership healthy Active participation in reaching out a wider community *Five Habits of High Impact School Boards* provides school board members superintendents senior administrators foundation executives and graduate students in schools of education with practical thoroughly tested guidance for successful governing work and a board superintendent partnership that is close productive and enduring

A Practical Guide to Effective School Board Meetings Rene S. Townsend, James R. Brown, Walter L. Buster, 2005-02-15 If board meetings are something you simply get through so you can get on with your real work this book is a must As superintendent and with the support of this realistic

detailed and entertaining book you can now turn board meetings into productive results getting events that help you focus on teaching learning and achieving your district s goals The authors having chaired over 1 000 board meetings amongthem discuss Creating role clarity and building the superintendent based team to increase effectiveness and support positive working relationships Developing general operating procedures that work Carrying out effective board meetings Critical aspects of the meeting itself as well as tips on conducting closed sessions Post meeting follow up and how these activities affect and influence the culture of the district Superintendents board members leadership staff and community members will find this guide invaluable for creating effective and meaningful board meetings *Building Great School Board --*

Superintendent Teams Bradley V. Balch,Michael T. Adamson,2017-09-22 To address urgent challenges and drive continuous improvement effectively school board members superintendents and school leaders must develop strong school board superintendent teams The authors offer a systematic approach for establishing a unified school leadership team that can efficiently meet demands avoid conflict and respond to the ever changing educational environment Each chapter includes professional development activities that can be adapted for teams of any size Learn how to build an effective school leadership team Consider how the school board superintendent team can remain sustainable and productive in governance instructional leadership and school improvement Foster committed team relationships and develop effective school leadership practices and qualities within the team Clarify superintendents and school board members roles and responsibilities to improve governance and avoid conflict Learn characteristics of effective communication and how to speak with one unified voice as a team Participate in team professional development activities that build trust respect transparency and accountability among the team Contents Introduction Chapter 1 Legal Perspectives and the Case for Local Control Chapter 2 Induction and New Team Member Orientation Chapter 3 Team Members Roles and Responsibilities Chapter 4 Effective Communication and a Unified Voice Chapter 5 Team Decision Making Chapter 6 Committed Effective Team Leadership Chapter 7 Foundational Statements Chapter 8 Continuous Improvement and Quality Assurance Chapter 9 Governance and Leadership During Change Chapter 10 Dysfunctional Teams and Rogue Members Chapter 11 System Evaluation Essentials Chapter 12 The Future of the School Board Superintendent Team References and Resources

Perspectives and Reflections for the Superintendent Samuel A. DePaul,2022-06-27 Perspectives and Reflections for the Superintendent What Can Be Learned from Experience focuses on the many challenges and opportunities facing school district superintendents and other school leaders on a regular basis It cites numerous actual events which are described and explained regarding best practices The chapters emphasize the importance of experience and preparation and provide examples experiences scenarios takeaways tools and more with respect to the superintendent and the aspiring superintendent Additionally tips on establishing and maintaining a positive relationship with the school board are given a relationship which is paramount for the superintendent and the school district to be successful Perhaps one of the more

important observations conveyed in the text is the need for the school board the staff and everyone interested in the schooling process to work together Without collaboration among all parties concerned stagnation will fester and nothing worthwhile will be accomplished Other topics presented include conflict resolution ethics high performing teams lessons learned and ways to cultivate positive community relations This book is practical for the seated superintendent and essential for the aspiring superintendent Leadership Teams in America's Best Schools Joseph F. Johnson, Jr., Cynthia L. Uline, Stanley J. Munro, Jr., Francisco Escobedo, 2025-07-28 This book describes and demystifies the factors that have helped accomplished schools generate successful and equitable outcomes for all their students regardless of racial ethnic background language or income Grounded in observations of award winning schools and high functioning teams that have achieved impressive results this practical resource explores success from the perspective of leadership teams As a K 12 educator at any level of leadership or within a leadership team you can influence the success of all groups of students This book describes what leadership teams do to ensure success why those accomplishments are so important to the success of diverse populations of students why the pursuit of those accomplishments is challenging in many schools across the country and how leadership teams can take practical steps toward those accomplishments even in difficult situations Rich in clear examples this book is for any educator interested in developing a deeper understanding of what their leadership teams need to change and how they might work together to lead their students to attain ambitious academic personal and professional goals **The Principal** Bruce M. Whitehead, Floyd Boschee, Robert H. Decker, 2012-10-17 The Principal Leadership for a Global Society is the core textbook for aspiring and practicing K 12 school principals Taking a practical and research grounded approach this inspiring text prepares school leaders to successfully face the opportunities and challenges that they will encounter on a day to day basis and throughout their careers The book provides a wide array of pedagogical features to help practicing and aspiring school principals improve programs create a safer and more enriching environment for students and faculty meet school district community state and national standards and much more After reading The Principal the educational leaders of tomorrow will be equipped with innovative practical and successful leadership concepts and ideas that will help them make a powerful impact on not just those who walk through the school doors but the community as well Book Jacket **Superintendent Evaluation Handbook** Michael F. DiPaola, James H. Stronge, 2004-09-01 Superintendent evaluation is a unique process that is often neglected but critical in this era of accountability This invaluable guide provides an overview of the entire process including crafting board policy criteria for good policy and prototype policy It identifies the unique challenges posed by the evaluation process and describes a three tiered model of evaluation This model is anchored in the professional standards for superintendency established by the American Association of School Administrators AASA the National School Boards Association NSBA Key Work of School Boards the Interstate School Leaders Licensure Consortium ISLLC Standards and the National Technology Standards for School Administrators Numerous sample forms are

included to assist school districts in creating a customized evaluation protocol to enhance performance. Suggestions on next steps for the reader conclude the book and additional resources are described in the annotated bibliography. This handbook will be of interest to superintendents, school board members and professionals involved in the development and support of superintendents.

Beyond Theory and Degrees James E. Fitzpatrick, 2020-08-01. This book is a must read for anyone who has a passion for leadership. Fitzpatrick's style and story presentation could be a blueprint for any leader in any profession. His insights into building a culture of leaders through mentoring and distributing responsibility in growing the capacity of an organization while celebrating and affirming people are the tenants of his approach to authentic accountability where people when feeling valued become invested and perform at a high level. In the book Fitzpatrick shares the POCDICE theory, the seven key processes of Leadership that every aspiring and seasoned leader must become good at while never becoming complacent in improving in their roles. They are planning, organization, communication, decision making, influence, coordination and evaluation. School Leadership and Governance in American schools is at a crossroads. Fewer candidates are entering this noble and honorable profession. We need great leaders for our schools and districts to flourish. This book is designed to inspire candidates to consider school and district leadership while giving insight into school governance from the principalship, superintendency and Board of Education levels.
