Team Rodent How Disney Devours The World:

Team Rodent Carl Hiaasen, 1998-05-05 Disney is so good at being good that it manifests an evil so uniformly efficient and courteous so dependably clean and conscientious so unfailingly entertaining that it's unreal and therefore is an agent of pure wickedness Disney isn't in the business of exploiting Nature so much as striving to improve upon it constantly fine tuning God's work from TEAM RODENT TEAM RODENT How Disney Devours America Revulsion is good Revulsion is healthy Each of us has limits unarticulated boundaries of taste and tolerance and sometimes we forget where they are Peep Land is here to remind us a fixed compass point by which we can govern our private behavior Because being grossed out is essential to the human experience without a perceived depravity we'd have nothing against which to gauge the advance or decline of culture our art our music our cinema our books Without sleaze the yardstick shrinks at both ends Team Rodent doesn't believe in sleaze however nor in old fashioned revulsion Square in the middle is where it wants us all to be dependable consumers with predictable attitudes The message never stated but avuncularly implied is that America's values ought to reflect those of the Walt Disney Company and not the other way around The Disney Middle Ages T. Pugh, S. Aronstein, 2012-12-10 For many the middle ages depicted in Walt Disney movies have come to figure as the middle ages forming the earliest visions of the medieval past for much of the contemporary Western and increasingly Eastern imagination The essayists of The Disney Middle Ages explore Disney's mediation and re-creation of a fairy tale and fantasy past not to lament its exploitation of the middle ages for corporate ends but to examine how and why these medieval visions prove so readily adaptable to themed entertainments many centuries after their creation What results is a scrupulous and comprehensive examination of the intersection between the products of the Disney Corporation and popular culture's fascination with the middle ages **Celebration, U.S.A.** Douglas Frantz, Catherine Collins, 2000-09 In 1997 after the first residents relocated to Celebration Florida Disney's model town of self-sufficiency the authors and their two children moved in to participate and report on this new venture This account chronicles the family's experiences over two years New Afterword 8 page photo insert **The Celebration Chronicles** Andrew Ross, Ph.D., 2011-03-16 Scholar and iconoclast Andrew Ross spent a year living in the much scrutinized and often demonized Celebration the picture perfect town that Disney is building for 20,000 people in the swamp and scrub of central Florida Lavishly planned with a downtown center and newly minted antique homes and front loaded with an ultraprogressive school hospital and high tech infrastructure Celebration was to offer a fresh start in a world gone wrong Yet behind the picket fences gleaming facades and Kodak moment streetscapes Ross discovered a real place with real problems and not a theme park village cooked up by the Imagineers Compelling and wide ranging in its analysis The Celebration Chronicles provides a startlingly fresh perspective on the link between contemporary urban planning and corporate bottom lines *The Hollywood Story* Joel Waldo Finler, 2003 This fully revised and updated edition of an award winning classic traces the history of Hollywood from the silent era to the present day The

Hollywood Storycomprehensively covers every aspect of movie making in America taking in nickelodeans drive ins and multiplexes the transition from silent to sound black and white to color the relationships of producers directors stars and technicians and the function and output of the studios their major hits and most expensive flops Florida Literary Luminaries James C. Clark,2022-05-02 Sit down for a spell with the bevy of famed writers who ve found inspiration in the Florida sun From the Spanish explorer Cabeza de Vaca to James Patterson writers have found inspiration in the Florida sunshine Ernest Hemingway met his future wife at Sloppy Joe s in Key West John Kennedy recovered from back surgery in Palm Beach while working on his Pulitzer Prize winning book James Weldon Johnson wrote what became The Negro National Anthem at the Stanton School in Jacksonville And Edna St Vincent Millay watched in shock as her manuscript went up in flames in Sanibel Florida historian James Clark tells the stories of scores of writers including Robert Frost Jack Kerouac John D MacDonald and Stephen King Hunter Thompson driving through the streets of Key West using a bullhorn to warn the citizens Tennessee Williams partying with Truman Capote Ring Lardner planning a get together with Al Capone it s all here
