Tears In The Wind:

The Empty Room C. R. Crane II, 2007-08 Click this link to read a review of Optimum Health and Healing What is new in his latest book A revolutionary way of looking at health Integration of traditional and modern techniques and skills in understanding and treating health problems Healthy lifestyle and non invasive natural therapies for your health concerns Alternative medical models to stimulate the body's natural healing potential Ways and means to promote a sense of well being which modern medicine fails to provide **10 Degrees of Glory** Alexandru Sota, 2009-07 10 Degrees of Glory is a work comprised of many pieces that amalgamate the premise of self realization and worldview Heading into the year 2010 it is crucial one take a look at the last decade and learn from their past in order to brighten their future Illuminating the positive aspects of personal growth in life this book takes readers on a lyrical journey of discovery and serves as a wake up call to what is going on in the world Throughout the book it is discovered that one person can make a difference in their own realm of well being and that it is a big thing to be human For any one who has ever tried failed prayed struggled lost laughed cried loved endured and succeeded it is a must read Any one can pick up this book and take something positive away from it on a personal level For all people scared of change and for those not fearful of anything 10 Degrees of Glory will inspire greatness within and inject love in the hearts of readers **The Wind Chimes of Life** D. A. Mc Bride, 2011-11 THE WIND CHIMES OF LIFE is about life In everyone's personal journey there are light bulb moments of consciousness When we come to realize that GOD is all we need Him to be in any given situation life becomes thought provoking enlightening and inspiring Life is a journey oftentimes accompanied by the ravages of wind and rain storms or intense fog but then the blessing of sunshine appears when finally arriving at a place of peace with GOD He has a Word for us regardless of what we go through along the journey to our destiny Thank GOD for Jesus **Expect the Unexpected** C. R. Crane II, 2012 Here within these pages lie a silver bullet between the eyes A grim reminder clouds are only tombstones in the sky In the graveyard of memories there are ghosts that still fly Like vultures overhead waiting for dreams to die Haunted by the questions that have no reply Monuments with their stoney faces stand alone and cry The Grim Reaper and Cupid in their coffin lie Waiting to be resurrected by the readers who wonder why I expect the unexpected to catch you by surprise **Chinese Acupuncture** Georges Soulié de Morant, 1994 Soulie de Morant's masterpiece is the most detailed study of acupuncture available in a Western language It was nominated for a Nobel prize and provided the foundation for French acupuncture This text is divided into 5 parts the energetics of acupuncture the application of the energetics physiology meridians and points and treatment This book is a unique historical document but more than this it is the most practical of texts and has already served a generation of clinicians well **AS THE WIND BLOWS** Stan Schmidt, 2025-04-27 AS THE WIND BLOWS as I think of the writing of this book every tree of creativity I have shook hoping fruit would fall down all over me as I penned this manuscript of poetry and for me it has been a labor of love praying it will be blessed by the heavenly Dove that what I have put my heart so into it will

give others overcast some sky blue that as life has rained on their parade they will be uplifted by the poems I have made that as the wind blows through my heart it will give the discouraged a faithful heart and that the God I long to please and glorify this book would augment the same behind the reader's eye because I believe that my main contribution to His kingdom it is to write about Him to those of the burdensome those who need His truth and wonder put into poetry succinct so loving and trusting Jesus would be their natural instinct thus my quiet and humble attempt to glorify God and to help those feeling like they have a barren sod it is to write as a catalyst for another's transformation and ultimately for God's glorification hence as the wind blows at me in perpetual gale gust I am left with writing as my sacred trust
