Palgrave Advances in Samuel Beckett Studies L. Oppenheim, 2004-04-30 Palgrave Advances in Samuel Beckett Studies explores the evolution of critical approaches to Beckett's writing It will appeal to graduate students and advance undergraduates as well as scholars for it offers both an overview of Beckett studies and investigates current debates within the interdisciplinary critical arena Each of the contributors is an eminent Beckett specialist who has published widely in the field The volume contains an introduction twelve essays and a guide for further reading

The Complete Critical Guide to Samuel Beckett David Pattie, 2000 Samuel Beckett's work forever changed the concepts of literature and theatre His work remains a core part of introductory courses on literary history drama theatre or performance and also features in more specialist modules such as Modernism or The Absurd Samuel Beckett is a comprehensive introduction to his life and work as well as an outline of the critical issues surrounding his work This guidebook leaves judgements up to the student by explaining the full range of often very different critical views and interpretations and offers guides to further reading in each area discussed

Solitude and its Ambiguities in Modernist Fiction E. Engelberg, 2016-04-30 In this study of solitude in high modernist writing Edward Engelberg explores the ways in which solitude functions thematically to shape meaning in literary works as well as what solitude as a condition has contributed to the making of a trope Selected novels are analyzed for the ambiguities that solitude injects into their meanings The freedom of solitude also becomes a burden from which the protagonists seek liberation Although such ambiguities about solitude exist from the Bible and the Ancients through the centuries following they change within the context of time The story of solitude in the twentieth century moves from the self's removal from society and retreat into nature to an extra social position within which the self confronts itself A chapter is devoted to the synoptic analysis of solitude in the West with emphasis on the Renaissance to the twentieth century and another chapter analyzes the ambiguities that set the stage for modernism Defoe's Robinson Crusoe Selected works by Woolf

Mann Camus Sartre and Beckett highlight particular modernist issues of solitude and how their authors sought to resolve them *Beckett and the Modern Novel* John Bolin,2013 John Bolin challenges the notion that Beckett's fiction is best understood through philosophical or Anglo Irish literary contexts **Samuel Beckett** David Pattie,2000-11-23 Samuel Beckett's work forever changed the concepts of literature and theatre His work remains a core part of introductory courses on literary history drama theatre or performance and also features in more specialist modules such as Modernism or The Absurd Samuel Beckett is a comprehensive introduction to his life and work as well as an outline of the critical issues surrounding his work This guidebook leaves judgements up to the student by explaining the full range of often very different critical views and interpretations and offers guides to further reading in each area discussed The question of multiple identities in Samuel Beckett's works Kevin Oheix,2014-06-10 Thesis M A from the year 2014 in the subject English Language and Literature Studies Literature grade 16 20 University of Rennes 2 language English abstract Ce m moire traite des identit s plurielles et de l entre deux culturel dans les oeuvres de Samuel Beckett The void has been a great source of inspiration for Samuel Barclay Beckett and his critics who tend to take into account the characteristics of his mind rather than his writings Such a deconstructionist discourse on negative identity is redundant but also contradictory This study aims at exploring the fundamental question of multiple identities in Samuel Beckett's fictions and dramas particularly *The Unnamable* from the trilogy *Waiting for Godot* *Endgame* *Krapp's Last Tape* and other relevant works As a novelist playwright and translator Beckett can be said to be part of a revolutionary literature His rejection and exploitation of the literary tradition make him an ambivalent writer The problem of singularity regarding his works is crucial in the stabilization of identity Moreover the lack of a major theme becomes an obstacle to the definition of such works The representation of these multiple identities will be analyzed in order to elucidate the following inquiry To what extent does Beckett's texts shed light on the seminal notions of rootlessness and cultural in betweenness as well as on the rejection of identification through self exploration and radical experimentation A certain number of critical readings will be used to discuss Beckett's place in literature through his characters apparent lack of attachment to any tradition Does literature have a function in the formation of identity What sort of renovation does the Beckettian texts offer It will be first noted that his borrowings from the French and Irish traditions coupled with his aloofness to them are indicators of the complexity of his mode of communication which is itself predicated on individual and conventional systems of discourse By means of exploring the essential antagonisms that departure and return represent this study will attempt to identify the literary forms of identity and apprehend the constant redefinition of the self whose ambiguous nature have to be examined in the light of the paradox between multiplicity and reduction How are marginalization and alterity experienced in the author's post colonial writings Beckett's bilingual experience via the relationship between the man and his work will complement this research **The Turkish-American Conundrum** Belma Ötüş Baskett,Louis Mazzari,Gönül Pultar,2019-03-15 This collection of essays discusses various aspects of the experiences of

Turkish immigrants in the United States and of US expatriates in Turkey It explores the predicament of the Turkish American element on US soil in a manner paralleling already existent disciplines such as Italian American Studies and German American Studies and assembles disparate research on the subject As such it will serve to herald in print the launching of a new paradigm Turkish American Studies The volume fits within transnational American Studies but also develops its own approach which is what constitutes its novelty *On the Road to Baghdad, Or, Traveling Biculturalism* Gönül Pultar, 2005

About the Book This is a collection of essays on fiction written in English Spanish and Bengali that has emerged recently This fiction is seen to reflect biculturalism that is the amalgam of two cultures that are both hegemonic in their own ways This approach provides insight into the works discussed by uncovering elements of the the seemingly other non Euroculture and elevates both cultures to the same level Authors discussed in the essays include Black British Caryl Phillips Chicana Sandra Cisneros Chinese American Maxine Hong Kingston Cuban American Dolores Prida Danish Izak Dinesen Greek Americans Nikos Papandreou and Catherine Temma Davidson Kenyan Ngugi wa Thiong o Japanese American John Okada New Zealander Patricia Grace Peruvian Jos Maria Arguedas Turkish American G neli G n and contemporary English language Indian authors Vikram Chandra Chitra B Divakaruni Attia Hosain Manju Kapur Arundhati Roy Salman Rushdie as well as Rabindranath Tagore Praise Perhaps only a decade ago such an ambitious world spanning project would have seemed absurd outside a congress of anthropologists or bankers Today it represents a state of the art sensibility reflecting the efforts of an equally various geocultural assembly of scholars The implications for a community of readers not only interested in but competently sensitive to such far flung narrative geographies is equally stunning William Boelhower University of Padua Italy Author of *Through a Glass Darkly Ethnic Semiosis in American Literature* **Re-Placing America** Ruth Hsu, Cynthia G. Franklin, Suzanne Kosanke, 2000-01-01 This collection of essays and poems examines various recent literary texts and cultural arenas in North America and the Asia and Pacific regions for what they reveal of the ongoing struggles of indigenous people and people of colour for justice and autonomy
