For fans of Goosebumps **The Last Chance Hotel** Nicki Thornton, 2019-05-28 Readers looking for an enchanting read, a story of overcoming the odds or a tale of suspense will love this traditional Agatha Christie who-dun-it mystery. Matched and raised by a hint of magic, Seth is a kitchen boy at the remote Last Chance Hotel. His father has long ago left, leaving him imprisoned until he is old enough to set out on his own. If there's any hope he has, it's to be the greatest chef that ever lived, just like his father. One night, a band of magicians begin to arrive to participate in a secret meeting, a Prospect Selection Procedure to determine the most talented magicians in the world, judged by their leader Dr Thallionius. Seth has one task: to make Dr Thallionius the greatest dessert he's ever tasted. Then, maybe he will help Seth find a way to freedom. But when the doors to the private meeting open and Dr Thallionius lies dead on the floor, the group blames the dessert, which means that it's Seth who will pay the price. But Seth knows he's innocent and only has so much time to eliminate each suspect and prove his innocence.

Extraordinary Book 1: Sundown, Holiday, Beacon K.L. Noone, 2019-09-11 Three superheroes in love. Or one superhero, one former sidekick, and one redeemed supervillain, at least. Ryan, John, and Holiday have been partners in every sense of the word for two years. They've saved the world, fallen in love, and remodeled the secret base to include bookshelves and a bigger bed. But Ryan and John have always been the public face of the team. The world still believes Holiday's a villain. And he's been using that reputation to stay undercover and share information. Tonight, though, Holiday comes home injured, and his partners aren't sure the mission's worth his life. Caution: this story also contains lasagna, superhero theatrics, home renovation, a thunderstorm, and very enjoyable use of superpowers in bed.
