The Promised Lie Christopher G. Nuttall, 2018-02-23 In *The Unwritten Words* Christopher Nuttall's story telling mastery weaves a new epic which follows on from his bestselling Bookworm series and is set in that same world In *The Promised Lie* the first book of the new series five years have passed since the earth shattering events of Bookworm IV The Golden City has fallen The Grand Sorcerer and Court Wizards are dead The Empire they ruled is nothing more than a memory a golden age lost in the civil wars as kings and princes battle for supremacy And only a handful of trained magicians remain alive Isabella Majuro Lady Sorceress is little more than a mercenary fighting for money in a desperate bid to escape her past But when Prince Reginald of Andalusia plots the invasion of the Summer Isle Isabella finds herself dragged into a war against strange magics from before recorded history And an ancient mystery that may spell the end of the human race Praise for the award winning Bookworm series Bookworm was winner of the GOLD Award in the Adult Fiction category of the 2013 Wishing Shelf Independent Book Awards A thrilling adventure packed full of magic and memorable characters Highly recommended The Wishing Shelf Awards one of the best authors of entertaining epic fantasy Seregil of Rhiminee the author has woven an exciting and entertaining story of secrets dark history books werewolves and magic and knows how to keep the story on the move Risingshadow *The Ancient Lie* Christopher G. Nuttall, 2020-01-17 I know the words written But the words unwritten Those I don't know After the campaign in the Summer Isle Isabella rides out the winter storms by studying the godly magic under Mother Lembu in the process learning about the origins of the old gods Crown Prince Reginald receives word that his father the King is ill and his sister Princess Sofia acting as regent is imposing a regime that is strangely similar to what had been happening on the Summer Isle nobles killed temples smashed enforced public worship of old gods Concerned that his family and indeed his homeland are in danger Reginald is determined to return home But the storms are still raging with what appears to be unnatural force making any attempt to return to Andalusia too risky for the Prince and his men unless Isabella can somehow use the new rituals she has learnt to placate the powers behind the storms and navigate the fleet safely home to face whatever has taken control of the kingdom Visit bit.ly/TheAncientLie Praise for Christopher Nuttall one of the best authors of entertaining epic fantasy for adult readers Seregil of Rhiminee Praise for the award winning Bookworm series A thrilling adventure packed full of magic and memorable characters Highly recommended The Wishing Shelf Awards Bookworm won the Adult Fiction GOLD Award in 2013 Praise for Book I of the *Unwritten Words* series there's something about the ancient magic and forces that is almost Lovecraftian in nature Risingshadow *All the Angels* Nick Drake, 2016-12-30 Handel's Messiah is the world's most popular choral work But its story begins in the unlikely setting of a room above a pub in Chester when the great composer detained by bad weather on his way to a season of concerts in Dublin invites some local choristers to rehearse excerpts It is

not a success So begins Handel s struggle to stage the premiere of his masterpiece confronted by seemingly insurmountable challenges including the tricky librettist Charles Jennens the actress Susannah Cibber who he trains to sing the most moving arias and the mysterious Crazy Crow Nick Drake s divine musical play premiered at Shakespeare s Globe in the Sam Wanamaker Playhouse London in June 2015 All the Angels was revived at same theatre in December 2016 *The Thomas the Tank Engine Man* Brian Sibley,2015-07-17 The stories of Thomas the Tank Engine and his friends have delighted generations of children and adults but what do we know of the man who created them A devoted pastor and family man the Reverend W Awdry first started telling the stories in order to amuse his own children with no idea that the characters would lead to a global phenomenon that now seventy years after their first appearance shows no signs of waning In this fascinating and warm biography prolific author Brian Sibley brings to life one of the most eminent children s writers of the twentieth century tracing his story from his Edwardian childhood through his time at University and into World War 2 A convinced pacifist Awdry was thrown out of one curacy and denied another because of his beliefs Never afraid to fight for what he thought was right he argued with his publishers and his illustrators demanding the best for his favourite creations the trains and their friends *George Frideric Handel* Newman Flower,1923 [His Abducted Bride](#) Ruth Ann Nordin,2013-07-30 All Sandy Davis wants is to forget about romance Romance is for other people not for her She s been rejected too many times and doesn t want anything else to do with it To escape she writes an epic fantasy picturing herself as the queen who rises against the threat of King Blackheart who is determined to conquer her kingdom Just as she s going to write the ending where she kills him he arranges it so that he takes her into the story But he doesn t abduct her so she ll be his prisoner His plan is to make her his wife and prove that he s not the villain she s made him out to be **Septimus and the Danedyke Mystery** Stephen Chance,2014-01-16 Reverend Septimus Treloar retired as Chief Inspector of the CID after thirty years service is now country parson of the seemingly sleepy St Mary s Danedyke But the rural calm of his and the villagers lives are thrown into chaos when mysterious happenings cause them to suspect the haunting of a fabled ghost within the dark recesses of their church But can this really be a case of supernatural spirits Or are Septimus s suspicions of thieving mischief closer to the truth If so what could be the object of all this criminal plotting Septimus must use his detective know how to find the answers on a mission that will lead him to the secret of The Danedyke Cup a silver gilt relic supposedly once belonging to Our Lady The first in Stephen Chance s classic series about Reverend Septimus the one and only beatified bobby Septimus and the Danedyke Mystery 1971 has everything treasure hunts ancient clues rollicking humour and quick witted suspense It has been described by Philip Ardagh in the Guardian as truly marvellous **George Frederic Handel** Newman Flower,1923 **Sir Handel** Robin Davies,W.
