Sirens Of Dunkirk:

Sirens of Dunkirk Leo Kessler, 2004 Whilst the head of the German Secret Service is trying to flood the UK with spies Dalby and Mackenzie plan to destroy the Dunkirk brothel and its deadly females who are spying on the troops They have to identify a German radio operator stop a German attack on Dunkirk and help the army to escape to Blighty **The Fighting Fleets** Ralph Delahaye Paine, 1918 Scientific American, 1896 **My Small Share** Ernest W. Pettifer, 2014-06-03 The diary gives a vivid picture of the relentless bombardment of Dunkirk from the air from the sea and from canons situated behind German lines over 20 miles away The work of the hospital was a barometer of the action at the front and was itself under constant threat It was moved to a less vulnerable location in the Spring of 1918 following an emergency night time evacuation after bombing Shortly after this move the threat posed by the rapid advance of the German Spring offensive meant that they had to prepare for the possibility of leaving Dunkirk altogether In the diary Ernest reveals his deep interest in nature and wild life especially birds There are fascinating descriptions of French civilians managing to survive in the most unpromising circumstances Ernest often has responsibility for managing casualties suffering from serious psychological damage In the final months he moves through scenes of appalling devastation to work in Courtrai where the patients are largely civilians The diary is very fully illustrated with original photos postcards drawings and press cuttings collected at the time by the author Georges Guynemer Henry Bordeaux, 1918 Georges Guynemer 24 December 1894 11 September 1917 missing was a top fighter ace for France during World War I and a French national hero at the time of his death Wikipedia

The Sirens of Wartime Radio and How the American Print Media Presented Them Scott A. Morton, 2020-10-05 The Sirens of Wartime Radio and How the American Print Media Presented Them The Stories the Intrigue and the Evolving Coverage of Their Legacies analyzes press coverage from the American print media that helped construct popular images of Tokyo Rose Axis Sally Seoul City Sue and Hanoi Hannah Coverage of these radio sirens essentially constructed and defined these women's legacies for an American audience Scott A Morton examines newspaper and magazine coverage from the periods of each broadcaster and in doing so analyzes four primary research inquiries Morton discusses how American newspapers and magazines portrayed each woman to American readers how the American mass media's portrayal of them evolved overtime from the mid 1940s through the present the ways in which the American mass media responded to these five female propagandists either directly or indirectly through print radio and visual media and how the legacy of each woman has been kept alive in popular culture in the decades since their last broadcasts Morton argues that for the most part coverage of the sirens was borne out of fascination and aversion fascination stemming from the novelty of women acting as high profile agents of enemy propaganda organizations and aversion stemming from the potential power they had over U S servicemen and the fact that they were viewed as traitors to the U S Scholars of media studies history and international relations will find this book particularly useful The Little Corner Never Conquered John Van Schaick, 1922 The
