Food Stories T. Jameson Brewer, Cleveland Hayes, 2025-03-10 Food Stories Navigating the Academy with Cultural Lessons from the Kitchen is the first volume in the series Culinary Canvas A Series on Integrating the Arts and Food into Higher Education The purpose of the series is to explore the innovative integration of arts and food into higher education Each volume aims to inspire a paradigm shift in academia advocating for a more holistic creative and inclusive approach to learning teaching researching serving and existing in the academy In the present volume Food Stories makes the case that food and the culture surrounding food is a closely held and powerful reality that shapes who we are as individuals as members of varied communities and invariably informs who we are as educators and researchers This book gives space for the authors to explore not only the impact that food and culture have had and continue to have on them as individuals how that culture and experiences impact them as members of the academy in teaching research and service but also in providing some guidance to graduate students and junior faculty In effect chapters explore navigating academic work teaching research and service through the lens of food and the transferable lessons that can be gleaned from our grandmothers mothers fathers and our own kitchens It is often the

case that higher education fosters both imposter syndrome and a workaholic disposition that can be detrimental to teaching and research What this book does then is to not only explore the ways in which what may seem as non academic work such as cooking a meal can have on our work life balance but also how to incorporate the very lessons of food into who we are as educators how we teach and how we can approach the work we do more broadly Through carefully curated chapters this text presents a wide array of perspectives across food and cultural regions as well as imparting insights from the academy from authors spanning the spectrum of the career It is an important book full of valuable lessons for graduate students faculty and teachers who wish to use its content in their classrooms Perfect for courses such as Cultural Studies Culturally Responsive Pedagogy *Cincinnati Magazine* ,2004-08 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **House Beautiful** ,1947
