form and found another group watu acci n INDIGENA foundation in which we were raising money to distribute to indigenas groups supporting their demands with different projects From buying an aero plane to help the Department of isolated Indians of Funai or funding indigenous activist into the convention of biological diversity Make their voice heard or funding projects in remote areas to rain force indigenas leadership and defend them from the aggression of the countries where they live now or the international companies that are killing them The indigenous peoples in North America have been exterminated by the Anglo Saxon expansion from 1776 until wounded knee in the e 19th century and recently last century also the whites American killed an Indian again in wounded knee the 20th century The Guardians of Biodiversity is an illustrated book with more than 100 pictures that help you to know a bit more of biodiversity **Bowker's Guide to Characters in Fiction** ,2003 **Best Books for Children** Catherine Barr,2006 Contains more than 25 000 titles of books recommended for children in grades K 6 *The Writer's Market* ERS.,2001 Describes thousands of markets for writers covering magazines publishers syndicates and contests with information on submission requirements pay scale and freelance work and listings of editors and agents The Publishers Weekly ,2001 *Books for the Teen Age*, 2003 New York Public Library.
