Sketching Interior Architecture

Alan Hughes

Sketching Interior Architecture:

Sketching for Architecture + Interior Design Stephanie Travis, 2015-07-20 The debate surrounding hand drawing versus computer generated imagery has become a hot topic Having grown up with computers today's interior design and architecture students are extremely adept at creating computer imagery but often lack confidence in their freehand sketching skills or do not know how to sketch at all Sketching and the careful observation that it entails is essential for the successful development of the next generation of designers Forty five step by step exercises take the student from the simple three dimensional forms of furniture to interiors to complex building exteriors and cityscapes Technical topics covered include tools line weights perspective proportion composition shading serial views and context Exercises are illustrated with beautiful sketches specially created by the author Sketching for Architecture Interior Design is an indispensable and practical guide for students wishing to master the art of looking and sketching

Interior Design Drawing Alan Hughes, 2013-08-01 Interior design is a multidiscipline profession blending spatial technical and aesthetic knowledge The skill involved in manipulating these elements to solve specific design problems is intrinsically linked to drawing Interior Design Drawing explores all aspects of this vital design skill from sketching to record information through orthographics and development to analyse the problem to presentation drawing to communicate the solution Explore the role of drawing in the design process understand the main orthographic drawings use line tone and colour across 2D and 3D drawings add texture and atmosphere to drawings consider aspects of composition and presentation of a set of drawings an overview of how drawing relates to the process of interior design This guide covers sketching to record information elevation and projection and making final presentation drawings to communicate solutions to clients Fully illustrated with over 100 colour illustrations Alan Hughes has an MA in Interior Architecture and has taught at undergraduate and post graduate levels for many institutions
