Realities Samantha N. Sheppard,Travis Vogan,2020-09-01 Despite the increasing number of popular and celebrated sports documentaries in contemporary culture such as ESPN s 30 for 30 series there has been little scholarly engagement with this genre Sports documentaries like all films do not merely showcase objective reality but rather construct specific versions of sporting culture that serve distinct economic industrial institutional historical and sociopolitical ends ripe for criticism contextualization and exploration Sporting Realities brings together a diverse group of scholars to probe the sports documentary s cultural meanings aesthetic practices industrial and commercial dimensions and political contours across historical social medium specific and geographic contexts It considers and critiques the sports documentary s visible and powerful position in contemporary culture and forges novel connections between the study of nonfiction media and sport
