Sinascapes Gary G. Xu, 2007 *Sinascapes* Contemporary Chinese Cinema is one of the most comprehensive studies of transnational Chinese language films at the turn of the millennium Gary Xu combines a close reading of contemporary movies from China Taiwan and Hong Kong with an intimate look into the transnational Chinese film industry based on his working relationship with filmmakers He coins the word *sinascapes* to reflect on the intersection between Chinese cinema and global cultural production referring to cinematic representations of ethnic Chinese people around the globe *Sinascapes* describes contemporary Chinese cinema as a global network and a group of contact zones where ideologies clash new identities emerge through both border crossings and resistance to globalization and visual innovations and progressive visions become possible General readers film enthusiasts and critics alike will benefit from Xu's discussion of popular film which leads to a broader conversation about China's economic transformations global politics and cultural production Including discussion of films like *Hero* *House of Flying Daggers* *Kung Fu Hustle* *Devils on the Doorstep* *Suzhou River* *Beijing Bicycle* *Millennium Mambo* *Goodbye Dragon Inn* and *Hollywood Hong Kong* the book emphasizes the transnational nature of contemporary Chinese cinema

The Age of Elephants Peter Moss, 2006-06 The filaments that enmeshed them in Durbar Court were the stories they wove Leila who never contributed any herself claimed that without them the resident behemoths would fall permanently asleep It was a soporific summer An extraordinary summer as if the mechanism of the seasons had broken down stranding them in a time locked vault of cloudless blue The garden parasols were giant sundials around which carousels of shadow clocked the intervals from breakfast to supper Only the bearers punctuated the hours padding out to them with trays of lemon cordial and iced tea This second novel by Peter Moss whose first *The Singing Tree* was described by the New York Times as a little gem draws heavily upon his memories of an Indian childhood to populate a recreated cameo of imperial India set on the south coast of England Here relics of the British Raj living out their sequestered lives immersed in nostalgia for a long lost world lead a casual visitor to confront memories he has desperately endeavoured to erase A graceful elaborate tale of innocents yearning for home Moss has been a firsthand witness to the fading glory of the British diaspora in exotic locales like India Hong Kong and the Philippines Here he draws heavily on a childhood spent in India to recreate the experiences of expatriates repatriated against their will caught between a glorious spiritual home and the draw of Queen and country Moss fosters a charming colonial memory that will speak clearly to anyone who's been away from home a long time A romanticized tragic remembrance of well loved experiences Kirkus

Barr, 2024-05-14 From one of the world s top experts on the economics of skyscrapers a fascinating Daily Mail London and informative Publishers Weekly account of the ever growing quest for super tall buildings across the globe The world s skyscrapers have brought us awe and wonder and yet they remain controversial for their high costs shadows and overt grandiosity But decade by decade they keep getting higher and higher What is driving this global building spree of epic proportions In Cities in the Sky author Jason Barr provides an enjoyable expansive study of a subject he loves Kirkus Reviews

explaining why they appeal to cities and nations how they get financed why they succeed economically and how they change a city's skyline and enable the world's greatest metropolises to thrive in the 21st century From the Empire State Building 1 250 feet to the Shanghai Tower 2 073 feet and everywhere in between Barr explains the unique architectural and engineering efforts that led to the creation of each structure Along the way he visits and unpacks some surprising myths about the earliest skyscrapers and the growth of American skylines after World War II which incorporated a new suite of technologies that spread to the rest of the world in the 1990s Barr also explores why London banned skyscrapers at the end of the 19th century but then embraced them in the 21st and explains how Hong Kong created the densest cluster of skyscrapers on the planet Also covered is the dramatic result of China's skyscraper fever and then on to the Arabian Peninsula to see what drove Dubai to build the world's tallest building the Burj Khalifa which at 2 717 feet is higher than the new One World Trade Center in New York by three football fields Filled with fascinating details for urbanists architecture buffs and urban design enthusiasts alike *Cities in the Sky* masterfully weaves together the history myths economics and engineering behind the most iconic structures across the world's skylines to showcase the ambition ingenuity and vision that encourage us to build higher and bolder Grady Hillhouse creator of *Practical Engineering Hong Kong e Macao* Piera Chen, Emily Matchar, 2015-04-15 T00:00:00+02:00 Grattacieli da vertigine antiche tradizioni e una cucina eccezionale questa città enigmatica sa sedurre sia chi la visita per la prima volta sia chi la conosce bene In questa guida cucina locale arte cinema architettura consigli per lo shopping gite di un giorno **Beyond the \$1 Million Mark** Rajat Banerjee, 2025-01-20 In the unlikely event that you have picked up this book and you are part of the 650 million people in this world who are either on their way to achieving a net worth of 1 million or are already there then this book might be for you You are smart you are above average you are growing in life and you are leading a decent existence You already know that But you want something more You want to be more than just above average You want to break through to the other side where you are wildly successful so wildly successful that you could not have imagined it or perhaps did not dare to imagine it before this Is it even possible How do these wildly successful and famous people do it Are they really that different from me Was it luck Did they have some help that I didn't Are they much smarter than I am If somewhere deep down you believe you can be wildly successful then this could be a book that provides you with a few insights into an approach that might work

Understanding Tall Buildings Kheir Al-Kodmany, 2017-02-17 In recent years the rapid pace of tall building construction has fostered a certain kind of placelessness with many new tall buildings being built out of scale context and place By analyzing hundreds of tall buildings and by providing hundreds of visuals that inspire stimulate and engage *Understanding Tall Buildings* contends that well designed tall buildings can rejuvenate cities ignite economic activity support social life and boost city pride Although this book does not claim to possess all the solutions it does propose specific tall building design guidelines that may help to promote placemaking Through this work it is the author's hope that ill conceived developments

will become less common in the future and that good placemaking will become the norm not the exception This book is a must read for students and practitioners working to create better tall buildings and better urban environments
