

SLOBODAN MILOSEVIC AND THE DESTRUCTION OF YUGOSLAVIA

WITH A NEW AFTERWORD BY THE AUTHOR

L O U I S S E L L

"FAR MORE THAN A BIOGRAPHY," Hill book provides a compact, old-fashioned review of the sad
strange life occupied by much of the West's attention in the 1990s." —Foreign Affairs

Slobodan Milosevic And The Destruction Of Yugoslavia

L Manion

Slobodan Milosevic And The Destruction Of Yugoslavia:

Slobodan Milosevic and the Destruction of Yugoslavia Louis Sell, 2003-08-04 Focusing on the life and career of Slobodan Milosevic from the perspective of both a diplomatic insider and a scholar this text provides first hand observations of Milosevic during his rise to power and later in the endgame of the Bosnian war

Yugoslavia's Bloody Collapse Christopher Bennett, 1997 An incisive and revealing history of how Yugoslavia plunged into violence in the 1990s Over the past two years the entire world watched in horror as one of Europe's most stable countries plunged into an orgy of violence and bloodshed that has invoked comparisons to the Holocaust Aside from empty threats and diplomatic hand wringing the West has done little to stop the ethnic cleansing the sieges and the brutality that has characterized the conflict in the former Yugoslavia Contrary to common wisdom the hyper violent disintegration of the former Yugoslavia is not simply and exclusively the product of inherent and irrational ethnic animosities and centuries of strife In this engaging book journalist Christopher Bennett traces the turning point to the 1987 struggle within the Serbian Communist party which was between adherents of a Serb nationalist ideology embodied by Slobodan Milosevic and the other Yugoslavs who clung to the vision of a multinational state As soon as Milosevic gained the upper hand he ruthlessly purged his rivals and launched a massive campaign of media indoctrination to stir up Serb nationalism This new nationalism which has repelled the world since 1991 is primarily Milosevic's creation and not merely the result of historical enmity As a student at two different Yugoslav universities in the 1980s Bennett witnessed firsthand many of the critical events which contributed to Yugoslavia's destruction He renders an incisive and accessible history covering the period from Tito's dictatorship to the present day

Serbian Paramilitaries and the Breakup of Yugoslavia Iva Vukušić, 2022-09-30 This is the first book to offer a comprehensive analysis of the emergence nature and function of Serbian paramilitary units during the violent breakup of Yugoslavia The book investigates the nature and functions of paramilitary units throughout the 1990s and their ties to the state and President Slobodan Milošević The work relies on the archives of the International Criminal Tribunal for the former Yugoslavia in The Hague which conducted dozens of trials relating to paramilitary violence and records from judicial proceedings in the region It discusses how and why certain important paramilitary units emerged how they functioned and transformed through the decade what their relationships and entanglements were with the state the Milošević regime and organized crime The study thus investigates the interrelated ideological political and social factors and processes fueling paramilitary engagement and assesses the impact of this engagement on victims of paramilitary violence and on the state and society for which the units purportedly fought It argues that coordinated action by a number of state institutions gave rise to paramilitaries tasked with altering borders while maintaining plausible deniability for the sponsoring regime The outsourcing of violence by the state to paramilitaries led to a significant weakening of the very state these units and their sponsors swore to protect The book also analyzes differences between the units and how they attacked civilians arguing that

the different forms of violence stemmed not only from the function they fulfilled for the state but also the ways in which they were set up and operated The final chapter brings the different strands of the argument together into a coherent whole suggesting avenues for further research in the former Yugoslavia and beyond This book will be of much interest to students of ethnic conflict and civil war war crimes Balkan politics and International Relations in general

A Legal Geography of Yugoslavia's Disintegration Ana S. Trbovich, 2008-02-05 A Legal Geography of Yugoslavia's Disintegration explains the violent break up of the former Yugoslavia in early 1990s in the context of two legal principles sovereignty and the self determination of peoples The author recounts Yugoslavia's history with a focus on the country's internal administrative divisions and aspirations of different ethnic groups in order to effectively explain the genesis of the international community's political decision to recognize the right of secession for the largest administrative units of Yugoslavia Trbovich a Serbian author writing from the perspective of a disengaged scholar tackles her subject matter with clarity and detail and offers an intriguing analysis of Kosovo's future status international recognition of secession implications of Yugoslavia's disintegration for other conflicts invoking right to self determination and international intervention in ethnic conflicts

Bosnian Genocide Paul R. Bartrop, 2016-01-18 Providing an indispensable resource for students and policy makers investigating the Bosnian catastrophes of the 1990s this book provides a comprehensive survey of the leaders ideas movements and events pertaining to one of the most devastating conflicts of contemporary times In the three years of the Bosnian War well over 100 000 people lost their lives amid intense carnage This led to unprecedented criminal prosecutions for genocide war crimes and crimes against humanity that are still taking place today Bosnian Genocide The Essential Reference Guide is the first encyclopedic treatment of the Balkan conflicts of the period from 1991 to 1999 It provides broad coverage of the nearly decade long conflict but with a major focus on the Bosnian War of 1992 1995 The book examines a variety of perspectives of the conflicts relating to Slovenia Croatia Bosnia Herzegovina Serbia and Kosovo among other developments that took place during the years spotlighted The entries consider not only the leaders ideas movements and events relating to the Bosnian War of 1992 1995 but also examine themes from before the war and after it As such coverage continues through to the Kosovo Intervention of 1999 arguing that this event too was part of the conflict that purportedly ended in 1995 This work will serve university students undertaking the study of genocide in the modern world and readers interested in modern wars international crisis management and peacekeeping and peacemaking

Genocide Adam Jones, 2010-09-13 Genocide A Comprehensive Introduction is the most wide ranging textbook on genocide yet published The book is designed as a text for upper undergraduate and graduate students as well as a primer for non specialists and general readers interested in learning about one of humanity's enduring blights Fully updated to reflect the latest thinking in this rapidly developing field this new edition provides an introduction to genocide as both a historical phenomenon and an analytical legal concept including an extended discussion of the concept of genocidal intent and the dynamism and contingency of genocidal processes discusses

the role of state building imperialism war and social revolution in fueling genocide supplies a wide range of full length case studies of genocides worldwide each with an accompanying box text explores perspectives on genocide from the social sciences including psychology sociology anthropology political science international relations and gender studies considers The Future of Genocide with attention to historical memory and genocide denial initiatives for truth justice and redress and strategies of intervention and prevention Written in clear and lively prose liberally sprinkled with over 100 illustrations and maps and including personal testimonies from genocide survivors Genocide A Comprehensive Introduction has established itself as the core textbook of the new generation of genocide scholarship An accompanying website www.genocidetext.net features a broad selection of supplementary materials teaching aids and Internet resources *Yugoslavia Unraveled* Raju G. C. Thomas, 2003-10-13 Unlike many of the works on the Yugoslav wars written during and just after the crisis *Yugoslavia Unraveled* delves beyond who did what to whom to examine underlying issues regarding the sources of religious nationalism and inter ethnic conflict the territorial integrity and sovereignty of states and the principle of self determination and the right of secession from an existing state This volume raises essential questions pertaining to the legality and morality of military intervention by external powers without U N sanction and to nation building by outside powers in war devastated territories The book also explores the nature of media propaganda in times of war Editor Raju G C Thomas and the prominent contributors provide fresh views and alternative explanations for the unraveling of a sovereign independent state following the end of the Cold War and in a world without countervailing power **The Yugoslav Wars of the 1990s** Catherine Baker, 2015-07-30 Catherine Baker offers an up to date balanced and concise introductory account of the Yugoslav wars of the 1990s and their aftermath The volume incorporates the latest research showing how the state of the field has evolved and guides students through the existing literature topics and debates *The A to Z of Bosnia and Herzegovina* Ante Cuvalo, 2010-04-08 Diversity has always been at the heart of Bosnia and Herzegovina s character even its dual name and physical geography display a particular heterogeneity The medieval Bosnian state never enjoyed lasting political and ideological unity as its feudal regional and religious rifts pulled at the country s seams Furthermore because of its location and by a quirk of history three major world religious and cultural traditions Catholicism Islam and Orthodoxy became cohabitants in this small Balkan country Recently the rebirth of its statehood has been exceptionally bloody and its diversity has been shaken Even 11 years after the guns were silenced the country is still under the benevolent protection of the international community whose officials are keeping the state building process in perpetual suspense with no final result in sight The A to Z of Bosnia and Herzegovina sheds light on the uncertain situation Bosnia and Herzegovina faces while providing essential background information This is accomplished through a chronology an introduction a bibliography and more than 300 cross referenced dictionary entries on individual topics spanning Bosnia and Herzegovina s political economic religious and social system along with short biographies on important figures **Global Governmentality** Wendy

Larner, William Walters, 2004-08-02 Global Governmentality extends Foucault's political thought towards international studies exploring the governance of the global the international the regional and many other extra domestic spaces
