Johnstone, J.A. The Halakhah, Volume 1 Part 4 Jacob Neusner, 2021-11-15 The Halakhah embodies the complete Jewish Law and contains commandments and guidelines for day to day living The original commandments given by God to the Jewish people were enhanced by rabbis to offer a detailed framework to guide the lives of all Jews In this complete all encompassing encyclopaedia of the Halakhah the various laws are classified in such a way that a systematic and coherent structure is obtained Each entry of the Halakhah is presented in a logical fashion Where applicable the original biblical wording is given extended with literal abstracts from the Torah Next problems and questions that may arise from that law are stated and any additional information given Finally each entry gives comprehensive explanations and recommendations as to how these laws are to be observed in daily life where to be and where not to be what to do and what not to do what to say and what not to say The Halakhah or standard Jewish Law combines the Mishnah about 200 CE the Tosefta about 300 CE and the two Talmuds about 400 600 CE for the Land of Israel and Babylon respectively Volumes I and II contain entries pertaining to the Jewish people in relationship to God Volume III explains how the Jewish people can restore and maintain their society in accordance with the Torah as it is explained by the rabbis In Volumes IV and V of this study we take up the life of the Jewish household in their encounter with God The Encyclopaedic account therefore moves from regulating relationships between Israel and God to establishing stable and equitable relationships among Israelites and finally to actually living the Halakhah

How the Halakhah Unfolds Jacob Neusner, Tzvee Zahavy, 2006 In separate multi volumed works form analytical English translations of the Mishnah Tosefta Yerushalmi and Bavli have been set forth Outlines of the Yerushalmi and the Bavli have been brought about and those outlines of the two Talmuds have been compared In addition for each subject the main points of the Halakhah of the topical expositions or tractates of the Mishnah Tosefta Yerushalmi Bavli have been set forth The theological message of the respective tractates has been spelled out Here we follow a single tractate through the principal documents of formative Judaism as these have already presented them How the academic commentaries outlines and comparisons and theological summaries yield a systematic account of the Halakhah in its documentary unfolding is thus fully exposed
