Selected Letters of Robert Penn Warren Robert Penn Warren, 2000-03-01 In America's twentieth century there is no man of letters more versatile distinguished and influential than the poet novelist editor critic social commentator and teacher Robert Penn Warren 1905-1989 The most intimate of Warren's letters his personal correspondence now join his published canon under William Bedford Clark's expert supervision Volume One *The Apprentice Years* forms a kind of epistolary coming of age novel taking Warren from the awkwardness of emerging genius during his fugitive student years at Vanderbilt to the brink of producing great work in a newly appointed post at Louisiana State University Warren's earliest correspondence limns a friendship in earnest with Allen Tate a crushing heartbreak and an attempted suicide Eventually the author regroups graduates with honors and entertains a bad boy phase at Berkeley and Yale As he studies at Oxford writes his first book and decides not to complete his doctorate Warren exhibits a deepening maturity and devotion to his literary craft expressing ever more complex ideas about poetry and fiction His nagging financial difficulties growing commitment to the Agrarian movement controversial essay for *I'll Take My Stand* marriage to Cinina Brescia and professional uncertainty as one of the first to combine writing with college teaching lead him into the 1930s when the bright prospect of tenure and an opportunity to remake the *Southwest Review* arises Warren's letters all but one previously unpublished fascinate in their revelations such as the author's surprisingly tangled relationship with his parents his delicate health and the gossip about major literary figures including Tate John Crowe Ransom Donald Davidson and Laura Riding But beyond rich biographical detail they offer

a veritable self portrait of the fledgling artist When a person writes a letter it is nearly as much one to himself as to the person who takes it from the postbox The self conscious precocious yet sensitive young Warren modulates to the sardonic irreverent aesthete wit Red and finally acquires a voice distinctively Warrenesque confident and sophisticated Thus the imaginative as well as literal aspects of these years in Warren s life are conveyed his writing persona and historical person always an intriguing comparison Highly accessible unfailingly interesting and scrupulously annotated The Apprentice Years will satisfy scholar and lay reader alike providing a unique window on what it means to profess the writer s calling in an era of rapid change When complete the selected letters of Robert Penn Warren will prove an indispensable addition to the author s literary oeuvre The Athenaeum ,1861 The Letters of William Lloyd Garrison William Lloyd Garrison,1971 By 1861 William Lloyd Garrison s public image had progressed from that of impulsive fanatic to one of widely respected and influential abolitionist As editor of The Liberator and president of the American Anti Slavery Society he was the acknowledged spokesman for radical antislavery opinion Garrison was profoundly disturbed by the advent of war In his correspondence he kept military events at a distance focusing on the morality of the conflict an issue made the more poignant by his eldest son s enlistment in the 55th Massachusetts Regiment in 1863 the same year that his wife suffered a paralytic stroke Gradually he became convinced that the war would effect the abolition he had sought for so many years Likewise his attitude toward Lincoln underwent significant changes he moved from critic to supporter defending the President s re election against the arguments of fellow abolitionists His visit with Lincoln in the White House he described as a very satisfactory one indeed for he was pleased with Lincoln s spirit and the familiar and candid way in which he unbossed himself With the war ended and his goal as abolitionist achieved Garrison discontinued The Liberator and withdrew from the American Anti Slavery Society Fortunately friends arranged for a national testimonial that provided financial security By 1866 1867 he was enjoying an active retirement with honors at home and abroad and a plump and cunning first grandchild His letters show Garrison as a family man and curious observer as well as a reformer with a vision of a free and peaceful land **Walking in Unity** Krista Bontrager,Monique Duson,2024-10-15 Biblical Guidance for Tough Conversations on Race Early in their friendship Monique and Krista faced what felt like insurmountable barriers in their discussions about race and racism Rather than retreating into avoidant silence or escalating tension until they burned down their friendship they learned to face those difficult conversations together because as children of God they saw each other as worth it Walking in Unity is about bringing Christ centered answers to issues of race and racism Drawing a clear distinction between the secular culture s instructions for agreement and Scripture s call for unity authors Monique Duson and Krista Bontrager explore what the Bible really says about racial harmony and how Christians ultimately find their common identity in Christ Avoiding cheap platitudes Monique and Krista help you explore the tough issues that the larger culture has brought into our churches such as historic racial injustices systemic racism and the call for reparations As you employ this Christ

centered model for unity you will find nuanced insights and practical guidelines for engaging the divisive issues of today with the love and truth found only in Jesus 000-899 Carnegie Library of Pittsburgh, 1908
