North Star Country Milton C. Sernett,2001-12-01 North Star Country is the story of the remarkable transformation of Upstate New York s famous Burned over District where the flames of religious revival sparked an abolitionist movement that eventually burst into the conflagration of the Civil War Milton C Sernett details the regional presence of African Americans from the pre Revolutionary War era through the Civil War both as champions of liberty and as beneficiaries of a humanitarian spirit generated from evangelical impulses He includes in his narrative the struggles of great abolitionists among them Harriet Tubman Frederick Douglass Gerrit Smith Beriah Green Jermain Loguen and Samuel May and of many lesser known characters who rescued fugitives from slave hunters maintained safe houses along the

Underground Railroad and otherwise furthered the cause of freedom both regionally and in the nation as a whole Sernett concludes with a compelling examination of the moral choices made during the Civil War by upstate New Yorkers both black and white and of the post Appomattox campaign to secure freedom for the newly emancipated Tracing African-American Roots Deloris Kitchel Clem,1999 *Port Cities of the Atlantic World* Jacob Steere-Williams,Blake C. Scott,2023-12-14 Traces the maritime routes and the historical networks that link port cities around the Atlantic world Port Cities of the Atlantic World brings together a collection of essays that examine the centuries long transatlantic transportation of people goods and ideas with a focus on the impact of that trade on what would become the American South Employing a wide temporal range and broad geographic scope the scholars contributing to this volume call for a sea facing history of the South one that connects that terrestrial region to this expansive maritime history By bringing the study up to the 20th century in the collection s final section the editors Jacob Steere Williams and Blake C Scott make the case for the lasting influence of these port cities and Atlantic world history on the economy society and culture of the contemporary South **Generations of Captivity** Ira Berlin,2004-09-30 Ira Berlin traces the history of African American slavery in the United States from its beginnings in the seventeenth century to its fiery demise nearly three hundred years later Most Americans black and white have a singular vision of slavery one fixed in the mid nineteenth century when most American slaves grew cotton resided in the deep South and subscribed to Christianity Here however Berlin offers a dynamic vision a major reinterpretation in which slaves and their owners continually renegotiated the terms of captivity Slavery was thus made and remade by successive generations of Africans and African Americans who lived through settlement and adaptation plantation life economic transformations revolution forced migration war and ultimately emancipation Berlin s understanding of the processes that continually transformed the lives of slaves makes Generations of Captivity essential reading for anyone interested in the evolution of antebellum America Connecting the Charter Generation to the development of Atlantic society in the seventeenth century the Plantation Generation to the reconstruction of colonial society in the eighteenth century the Revolutionary Generation to the Age of Revolutions and the Migration Generation to American expansionism in the nineteenth century Berlin integrates the history of slavery into the larger story of American life He demonstrates how enslaved black people by adapting to changing circumstances prepared for the moment when they could seize liberty and declare themselves the Freedom Generation This epic story told by a master historian provides a rich understanding of the experience of African American slaves an experience that continues to mobilize American thought and passions today

The Encyclopedia of New York State Peter Eisenstadt,2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with

fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New York City to rich farmland upstate and to the west Entries by experts chronicle New York s varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state s diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state s past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State

The North, the South, and Slavery Adam S. Miller, 2015-10-07 Part II of the Marian Publication series The Conflict Between the North and the South The issue of slavery is examined from a Catholic perspective of authority and servitude and how both are misunderstood in this post Enlightenment age What were the origins of slavery in America Were only blacks enslaved Were whites the only slave holders Who primarily financed and ran the slave trade from America Did all or most slaves despise their masters Are all forms of slavery intrinsically evil Author Adam Miller provides a jaw dropping eye opening myth destroyer concerning slavery in the United States of America Written from a most unique perspective when it comes to this emotional topic not necessarily from a pro Southern perspective but from a traditional Catholic historical approach The North the South and Slavery was written as a remedy to the numerous distortions misrepresentations and out right falsehoods concerning slavery the South and the North s connection with the slave trade

Let the People Pick the President Jesse Wegman, 2020-03-17 Wegman combines in depth historical analysis and insight into contemporary politics to present a cogent argument that the Electoral College violates America s core democratic principles and should be done away with Publishers Weekly The framers of the Constitution battled over it Lawmakers have tried to amend or abolish it more than 700 times To this day millions of voters and even members of Congress misunderstand how it works It deepens our national divide and distorts the core democratic principles of political equality and majority rule How can we tolerate the Electoral College when every vote does not count the same and the candidate who gets the most votes can lose Twice in the last five elections the Electoral College has overridden the popular vote calling the integrity of the entire system into question and creating a false picture of a country divided into bright red and blue blocks when in fact we are purple from coast to coast

Even when the popular vote winner becomes president tens of millions of Americans Republicans and Democrats alike find that their votes didn't matter And with statewide winner take all rules only a handful of battleground states ultimately decide who will become president Now as political passions reach a boiling point at the dawn of the 2020 race the message from the American people is clear The way we vote for the only official whose job it is to represent all Americans is neither fair nor just Major reform is needed now Isn't it time to let the people pick the president In this thoroughly researched and engaging call to arms Supreme Court journalist and New York Times editorial board member Jesse Wegman draws upon the history of the founding era as well as information gleaned from campaign managers field directors and other officials from twenty first century Democratic and Republican presidential campaigns to make a powerful case for abolishing the antiquated and antidemocratic Electoral College In Let the People Pick the President he shows how we can at long last make every vote in the United States count and restore belief in our democratic system
