Sleeping With The Dictionary:

Sleeping with the Dictionary Harryette Mullen, 2002-02-22 Harryette Mullen's fifth poetry collection *Sleeping with the Dictionary* is the abecedarian offspring of her collaboration with two of the poet's most seductive writing partners Roget's Thesaurus and The American Heritage Dictionary. In her ménage à trois with these faithful companions the poet is aware that while Roget seems obsessed with categories and hierarchies the American Heritage whatever its faults was compiled with the assistance of a democratic usage panel that included black poets Langston Hughes and Arna Bontemps as well as feminist author and editor Gloria Steinem. With its arbitrary yet determinant alphabetical arrangement its gleeful pursuit of the ludic pleasure of word games acrostic anagram homophone parody pun as well as its reflections on the politics of language and dialect Mullen's work is serious play. A number of the poems are inspired or influenced by a technique of the international literary avant garde group Oulipo a dictionary game called S 7 or N 7. This method of textual transformation which is used to compose nonsensical travesties reminiscent of Lewis Carroll's *Jabberwocky* also creates a kind of automatic poetic discourse. Mullen's parodies reconceive the African American's relation to the English language and Anglophone writing through textual reproduction recombining the genetic structure of texts from the Shakespearean sonnet and the fairy tale to airline safety instructions and unsolicited mail. The poet admits to being licked all over by the English tongue and the title of this book may remind readers that an intimate partner who also gives language lessons is called euphemistically a pillow dictionary.

Looking Up Harryette Mullen Barbara Henning, Harryette Mullen, 2011 Literary Nonfiction Poetry History Criticism African American Studies Introduction by Juliana Spahr Six years after Harryette Mullen and Barbara Henning first met at the legendary Nuyorican Poets Café Henning proposed she do a postcard format interview of Mullen that would allow for a very small postcard space in which to respond to the idea of cards flying through the mail overlapping. Thus began what is now *LOOKING UP HARRYETTE MULLEN* unique collaborative conversations that offer a candid look at the influences politics and poetics that inform Mullen's poetry. The conversation expands even further in the second set of spoken interviews that include concerns as far ranging as the Heaven's Gate cult Oulipian constraints such as S 7 and lipograms syllabic rhymes and Aim C saire. In stunning detail Mullen and Henning discuss the origins of each poem in Mullen's highly acclaimed collection *Sleeping with the Dictionary*. For poets and readers of poetry interested in witnessing how a brilliant singular writer embarks on the journey of generating work to scholars researching the inception of Mullen's poems this book informs by way of technique and vitality.

Laugh Lines Carrie Conners, 2022-04-19 Humor in recent American poetry has been largely dismissed or ignored by scholars due in part to a staid reverence for the lyric Laugh Lines Humor Genre and Political Critique in Late Twentieth Century American Poetry argues that humor is not a superficial feature of a small subset but instead an integral feature in a great deal of American poetry written since the 1950s Rather than viewing poetry as a lofty serious genre Carrie Conners asks readers to consider poetry alongside another art form that has burgeoned in America since the 1950s stand up comedy Both art forms use wit and laughter to rethink the world and the words used to describe it Humor's disruptive nature makes it especially whetted for critique Many comedians and humorous poets prove to be astute cultural critics To that end Laugh Lines focuses on poetry that wields humor to espouse sociopolitical critique To show the range of recent American poetry that uses humor to articulate sociopolitical critique Conners highlights the work of poets working in four distinct poetic genres traditional received forms such as the sonnet the epic procedural poetry and prose poetry Marilyn Hacker Harryette Mullen Ed Dorn and Russell Edson provide the main focus of the chapters but each chapter

compares those poets to others writing humorous political verse in the same genre including Terrance Hayes and Anne Carson This comparison highlights the pervasiveness of this trend in recent American poetry and reveals the particular ways the poets use conventions of genre to generate and even amplify their humor Connors argues that the interplay between humor and genre creates special opportunities for political critique as poetic forms and styles can invoke the very social constructs that the poets deride
