## **Slims Table:**

**Slim's Table** Mitchell Duneier, 2015-12-21 A richly detailed and highly compassionate ethnographic study of a core group of black men who daily frequent Valois a cafeteria in Chicago's Hyde Park. A Javier Trevi o Humanity Society At the Valois See Your Food cafeteria on Chicago's South Side black and white men gather over cups of coffee and steam table food. Mitchell Duneier a sociologist spent four years at the Valois writing this moving profile of the black men who congregate at Slim's Table. Praised as a marvelous study of those who should not be forgotten by The Wall Street Journal Slim's Table helps demolish the narrow sociological picture of black men and simple media reinforced stereotypes. In between is a respectable citizenry too often ignored and little understood. Slim's Table is an astonishment. Duneier manages to fling open windows of perception into what it means to be working class black how a caring community can proceed from the most ordinary transactions all the while smashing media induced stereotypes of the races and race relations. Citation for Chicago Sun Times Chicago Book of the Year Award. An instant classic of ethnography that will provoke debate and provide insight for years to come. Michael Eric Dyson Chicago Tribune Mr Duneier sees the subjects of his study as people and he sees the scale of their lives as fully human rather than as diminished versions of grander lives lived elsewhere by people of another color. A welcome antidote to trends in both journalism and sociology. Roger Wilkins The New York Times Book Review [Slim's Table](#) Mitchell Duneier, 1996-08-01 [Women in Infectious Agents and Disease: 2022](#) Beatrice Vitali, 2023-01-31 **Southern Gold**

JAMES CAMPBELL, 2011-04-29 In 1864 the Confederate Army possessed two billion dollars in gold bullion before surrendering the rebel soldiers buried the gold somewhere in Atlanta Georgia. General Joseph Johnston a commander under General Lee was the only living person who knew where the gold was buried. Union soldiers burned Atlanta to the ground in search of the gold but it was never found. That is until now. One hundred and fifty years later the gold's location is discovered buried underneath the Zone Three police precinct by Major James Butler a descendant of Johnston and an Atlanta police major as well as a Civil War enthusiast. Butler masterminds a plan to get the gold. Blow up the precinct killing thirteen police officers. Bring in ex cop John Sinclair who sustained total memory loss five years ago. Team him Seville Patterson a young beautiful female detective and assign them to investigate a bogus terrorist attack. It's a dangerous, deadly and a masterful game of cat and mouse to figure out how to dig up the gold and disappear into thin air without a trace. **Weight Loss: 20 Powerful Methods for A Slim & Slender Body** Doug Fredricks, Conquer Weight Loss w Proven Appetite Reduction gained the weight back soon after.
