Slivered Leaves:

The Elements of Life Su-Mei Yu, 2009-10-05 Discover the Thai approach to food and wellness and use nature's elements to eat for optimum health, beauty and spiritual well-being. The traditional Thai philosophy of diet and health involves eating meals planned around your home element: earth, water, wind, or fire, as well as the weather, time of day, and other factors. In this book, award-winning author Su Mei Yu explains this age-old philosophy and gives you information and recipes to help you prepare meals that will promote better physical, spiritual, and emotional health. She describes the personal characteristics related to each of the four home elements, as well as the tastes, flavors, aromas, and natural ingredients best suited to them. She shows you how to identify your home element and eat foods that accommodate it through different times of the year and different times of the day. Beauty treatments geared to your home element will help you to relax, rejuvenate, and feel renewed. This beautifully designed book includes an interactive wheel that helps you calculate your elemental sign. Explains how to plan meals appropriate to your home element. Offers tempting recipes for every home element, season, and time of day. Shares dishes with a delicious variety of ingredients and flavors from Cold Soba Noodles to Stir-Fried Chicken or Port with Watermelon Rind. Contains beauty, mind, and spirit sections with recipes for face masks, hair treatments, and massage oils based on each home element. Features more than 120 full-color photographs of finished dishes and life in Thailand. Written by the IACP Award-winning author of *Cracking the Coconut* and *Asian Grilling*, the simple, inspiring recipes and straightforward, easy-to-follow advice found in *The Elements of Life* will inspire you to live according to the elements and follow a traditional path to health, beauty, longevity, and inner peace.

The Blue Zones Solution Dan Buettner, 2015-04-07 Bestselling author Dan Buettner reveals how to transform your health using smart nutrition, lifestyle, and fitness habits gleaned from longevity research on the diets, eating habits, and lifestyle practices of the communities he's identified as Blue Zones: those places with the world's longest-lived and thus healthiest people, including locations such as Okinawa, Japan; Sardinia, Italy; Costa Rica; Nicoya Peninsula, Icaria, Greece; and Loma Linda, California. With the audacious belief that the lifestyles of the world's Blue Zones could be adapted and replicated in towns across North America, Buettner launched the largest preventive health care project in the United States: The Blue Zones City Makeovers, which has impacted the health of millions of Americans since 2009. In *The Blue Zones Solution*, readers can be inspired by the specific stories of the people, foods, and routines of our healthy elders, understand the role community, family, and naturally healthy habits can play in improving our diet and health, and learn the exact foods, including the 50 superfoods of longevity, and dozens of recipes adapted for Western tastes and markets that offer delicious ways to eat your way to optimum health. Throughout the book are lifestyle recommendations, checklists, and stories to help you create your own personal Blue Zones solution. Readers will learn and apply the 80/20 rule, the plant-slant diet, social aspects of eating that lead to weight loss and great health, naturally cultivating your tribe of friends and family, and your greater purpose as part of your daily routine.
