Ross Bartlett, 2019-01-03 Language is the gift by which we shape our understanding and tell our story But if we cannot see ourselves and our context in our language our lives can be confused and our witness weakened through a kind of cognitive dissonance created when the only vocabulary available to us fails to match our lived situation Urban and suburban congregations live this disconnect when the language and imagery often employed in hymns prayers imagery and liturgies reflect a rural ideal far from the experience of believers The irony is revealed when we recognize that the Bible is a book deeply and profoundly urban in nature Christianity's earliest history gives both authorization and resources for helping urban and suburban congregations find their unique voice *"Women Speaking in Church"* James White, Uriah Smith, John Nevins Andrews, 1993* *Speaking in Church* Burnham Hodgson, 2004 A guide to a somewhat neglected subject Speaking in

Speaking with Spirit Dr. Wanda Vassallo ,2018-01-08 Speaking with Spirit A Guide for Christian Speakers was deemed the most thorough treatment on the subject of public speaking I have ever seen by Linus Wright Former Under Secretary in the U S Department of Education Vassallo published a former edition of this book in 1990 which was declared a must for an excellent collection of books of this genre by the American Library Association Endorsements This extraordinary piece of work is the most thorough treatment on the subject of public speaking I have ever seen Speaking with Spirit is full of factual information organized in easily recognizable categories I was particularly gratified to find not only a catalog of possible openings for different types of speeches but also an example of each taken from a successful presentation When you have finished Wanda s book you will regard speaking before an audience as something to anticipate with confidence and optimism LINUS WRIGHT Former Under Secretary U S Department of Education and Dallas Schools Superintendent At last A public speaking book written especially for Christian speakers Wanda s book will serve as a trusted guide for the novice speaker as well as a valuable reference for the experienced speaker cast onto unfamiliar turf such as appearing on television for the first time Her examples of different genres of speeches tailor made for Christian audiences provide a treasure trove of proven material MAMIE MCCULLOUGH Motivational Speaker and Author I am so pleased that Wanda has written another book on speaking Her previous book on the subject proved to be very popular at our conferences We sold several hundred copies Wanda has spoken at our conferences over the years and has always been a favorite among our people I know this book will be well received I am eager to begin offering it to our conference attendees REG A FORDER Director of American Christian Writers This book by Wanda Vassallo will be much appreciated and used by pastors and leaders in Christian churches as well as by speakers in other contexts Having served as a pastor for 28 years as well as being a theological educator and a denominational executive I am called on to speak in a

variety of settings Based on my experiences I know that Wanda s book will be a priceless resource for the Christian leader I recommend it without reservation REV RONALD E VALLET D Min Author Adjunct Professor McMaster Divinity College Pastor Fredonia Baptist Church Fredonia N Y Minister for Stewardship and Mission Support American Baptist Churches of New York I taught Communications in a Christian University for many years and often used Jesus Christ as an example of the greatest of the communicators Naturally I directed my students to scriptures that verified that fact but I never had a complete scriptural reference to Christ s sermons teachings speeches and arguments Now Wanda Vassallo has included in her first rate public speaking textbook a chapter on Jesus as a Speaker Our Example This is a true blessing for the Christian speech teacher It s all there in Dr Vassallo s book all the scripture references the interpretations of those scriptures and the speech techniques of Christ It s all there in a textbook that goes on to tell the student and the teacher how best to present oneself before an audience It s all there in one volume a complete course in public speaking A text like this with Jesus as the master speaker has long been needed Now it s available Our prayers have been answered Thank you Dr Wanda Vassallo DR ROSE MARY RUMBLEY University Professor Professional Speaker and Author **Starting a Nonprofit at Your Church** Joy Skjegstad,2002-06-01 A large and growing number of congregations are setting up church based nonprofit organizations in order to operate community development or educational programs Once formed the nonprofit structure allows for new opportunities for accessing additional funding and drawing new collaborative partners and volunteers into the ministry Joy Skjegstad outlines the step by step procedures for setting up a 501 c 3 nonprofit organization connected to a congregation using simple easy to understand terminology and plenty of examples from churches that have already taken on this task Whether a congregation is setting up new program or has an established nonprofit that needs to be restructured or redefined congregations will find helpful guidance in this practical experience based book Speak Thus Craig R Hovey,2008-11-27 In its various forms speech is absolutely integral to the Christian mission The gospel is a message news that must be passed on if it is to be known by others Nevertheless the reality of God cannot be exhausted by Christian knowledge and Christian knowledge cannot be exhausted by our words All the while the philosophy of modernity has left Christianity an impoverished inheritance within which to think these things In Speak Thus Craig Hovey explores the possibilities and limits of Christian speaking At times ethical epistemological and metaphysical these essays go to the heart of what it means to be the church today In practice the Christian life often has a linguistic shape that surprisingly implicates and reveals the commitments of people like those who care for the sick or those who respond as peacemakers in the face of violence Because learning to speak one way as opposed to another is a skill that must be learned Christian speakers are also guides who bear witness to the importance of churches for passing on a felicity with Christian ways of speaking Through constructive engagements with interlocutors like Ludwig Wittgenstein George Lindbeck Jeffrey Stout Stanley Hauerwas John Howard Yoder Thomas Aquinas and the theology of Radical Orthodoxy Hovey offers a challenging vision of the church able to speak with a confidence that

only comes from a deep attentiveness to its own limitations while able to speak prophetically in a world weary of words
